**PURSUIT'S AWARD-WINNING DUAL CONSOLE LINE IS INTRODUCING THE ALL NEW DC 266. ALL THE VERSATILITY AND INNOVATION OF HER PREDECESSOR - THE DC 365 - IN A STYLE THAT IS UNMISTAKABLY PURSUIT.**

Featuring a fiberglass hardtop, tempered glass windshield engineered with a vacuum infused fiberglass frame with roomy walkthrough and plenty of storage, the DC 266 has an LOA of 27' and is powered by dependable twin Yamaha Outboards. The adjustable helm seat allows for excellent access to the instrumentation and controls as well as the optional Garmin electronics.

The exterior seating is complemented by the open bow design that has full wrap around seating with plenty of room for family and friends. Add the sunpad option and the social zone quickly converts to a private oasis. A head and sink allow for freshening up dockside.

Foldaway seating quickly transforms a social venue to a wide-open, fish-ready cockpit with 20 gallon livewell, gunwale mounted rod holders and transom fish-box.

Whether you're looking for family time, cruising or casual fishing, the versatile DC 266 is ideal for any experience on the water.

## Manufacturer Provided Description

The 26 foot dual console hull was specifically engineered for its' anticipated use; with family fun, casual fishing, cruising and marine sport utility in mind. This beauty is backed by a proven production process that incorporates vinyl ester resins hand laminated using custom engineered fabrics, infused one piece structural stringer systems and infused bonded windshield systems. Pursuit power comes from tinned copper wire electrical harnesses custom built for each boat. All electrical components are connected to the harness with water proof plugged electrical connections. Custom fitted water and fuel systems with compression fittings, manganese bronze seacock's and strainers all come together to create a timeless proven approach to building a quality product that will keep its value for years to come.

Adding to the graceful lines and dependable construction of the DC 265 is the infused windshield frame matched with large tempered glass panels providing complete unimpeded visibility forward, port and starboard. The windshield has a walkthrough center panel with a double latch and a wiper to starboard. Captain and passengers will also appreciate the uncluttered visibility from ample seating found throughout the boat. Luxurious bow seating, port side forward and rear facing seats along with recessed port and stern seating accommodates the entire family and friends on all your adventures. The DC 265 offers endless possibilities for exploration.
