This flybridge is a real head- turner. She boasts four 600 hp, V-12 Mercury Verado engines that keep her at the top of the game.

A spacious cabin area beneath the console wheel house a full queen berth, a fully equipped kitchenette, along with wraparound seating and a head. Hardcore fishing features abound as well, including 150 gallons of livewell capacity that can be configured as one massive well. There's also a huge, transverse fish box in the cockpit sole with an over 800 quart capacity. The 54 offers big-boat fishing capabilities combined with a high level of creature comforts, all delivered with the style and quality construction unique to Yellowfin.

She offers Quick Gyro Stabilization, Inverter battery system, and joy stick with GPS positioning, starboard dive door, hi-low table, and Bluewater Captain's chairs. This Yellowfin comes with numerous upgrades and a custom wrap like no other. (True color is white)
