Summary/Description

The 2023 Yellowfin 34 is a dream boat for anyone who chases big fish offshore. This 34-foot center console combines speed, efficiency, and a comfortable layout to make your next fishing trip unforgettable. Performance Built to Handle Anything You Throw at It

The 2023 Yellowfin 34 is a dream boat for anyone who chases big fish offshore. This 34-foot center console combines speed, efficiency, and a comfortable layout to make your next fishing trip unforgettable.

Performance Built to Handle Anything You Throw at It

The secret to the 34's prowess lies in Yellowfin's renowned twin-step hull design. This innovative feature allows the boat to cut through rough seas with a dry ride, while still offering exceptional maneuverability. With Triple Mercury 300 Verado's you'll experience exhilarating acceleration and reach cruising speeds upwards of 40 miles per hour.

The Perfect Balance of Power, Performance, and Comfort

The 2023 Yellowfin 34 is a serious contender for anglers who demand the best. Its impressive performance, superior fishability, and comfortable accommodations make it a top choice for offshore adventures.
