Summary/Description

A PERSHING IS NOT A YACHT FOR EVERYONE. UNIQUE, EYE POPPING, AND REFINED. MANY CONSIDER THE 80 AS ONE OF THERE BEST MODELS EVER PRODUCED. THIS VESSEL REPRESENTS ONE OF THE BEST OPPORTUNITIES WORLDWIDE FOR A PERSHING 80. IT HAS BEEN EXCEPTIONALLY MAINTAINED.

New Listing I am pleased to represent this STUNNING 2010 Pershing 80. Meticulous 2-year refit just completed. Gorgeous pearl white metallic Dupont Imron Axalta paint. All fresh teak and polished exterior stainless. Matching white ultra-leather interior with black accents. Extremely well maintained by experienced owner and crew, this state-of-the art 80 Pershing represents one of the most popular models in the Pershing line with the fresh white pearlized paint and matching black and white interior this yacht turns heads wherever she cruises! Totally reimagined with a true Pershing pedigree exemplifies performance, style, and top quality inside and out. She shows as a like new yacht!

Pershing hull # 8012 was originally ordered by Ferretti Group of America with owner and captain factory supervision. There is an extensive list of options including "built to USA specs" and duty paid. This is a USA version 60 cycle boat ordered with "tropical" air conditioning! Further benefits from the 2-year refit including paint, teak and interior, full maintenance to all systems including the optional MTU 2400 HP engines Kohler 23 kw generators, Arneson# 15 drives and Rolla Nibral 37" props.

ACCOMPANYING SLIP PURCHASE OPPORTUNITY AVAILABLE!

Engine Room

This is a full USA version Pershing 80 with electrical system and generators specified for the 60hz American market. The vessel was ordered with the upgraded 16V2000 2400 HP MTU engines.

- Engine hours at the time of listing were 1792.
- 110 V 60Hz air compressor
- A/C raw water pump (2022)
- Access to engine room from GALLEY/CREW QUARTERS
- Dynamic air intakes
- Electric extractor fans (new)
- Engine exhaust silencer
- Hydraulic steering oil tank/ twin disc/Arneson
- Hydraulic unit for **bow and stern** thrusters twin disc
- Light alloy waterproof door
- Light switch /110V OUTLET
- MTU 2400HP engine Upgrade
- Silencer and generator exhaust fume separator
- Stainless steel reinforcement around engines
- Thermal insulation soundproofing
- Waterproof cameras interfaced with helm screen
- Waterproof fixed explosion proof light
- Aluminum diamond plated floor access panels
- Glendenning 100 A 4 pole cable retractor for shore cable
- Breaker panel 230/115/24 v
- Measuring instruments with voltmeter and ammeter 240V
- Carling switch 100A for 24DV shore supply
- Shore power GFI 100A 30mA
- 4 starting batteries
- 12 house batteries
- Battery cut off for appliances to batteries
- Battery charger for generator
- Inverter 60hz/120V for galley fridge
- Inverter 60hz/120V for services
- Systems (USA Version)
- Fresh water System
- Fresh water connection from water tank
- Fresh water intake in engine room
- Level sensor
- Shore freshwater intake with pressure regulator
- Shower with mixer tap in external fore deck
- Shower with mixer tap on aft swimming platform
- Structural GRP tank with pump and autoclave
- Water heater in 60hz
- Water maker
- Sea water System
- By-pass valve for emergency bilge discharge from engines
- Sea water intake and chain wash pump
- E pump fire extinguisher
- Sea water basket strainer for engines power generators
- AJC pumps for services and fire hydrants
- Sea water intake for chain wash and fire extinguisher in fore locker
- Sea water intake for grey water system with 300 lt. polyethylene tank
- E pump auxiliary tank
- Discharge pump for main tank discharge

- GRP tank level sensor manifold with bypass for grey and black water tank emergency discharge
- Grey water 3-way valve in galley
- Black water system
- 3001t polyethylene tank
- Pump tank discharge
- GRP auxiliary tank level sensor
- Black water deck connection for dockside tank pump out
- Fire extinguisher system
- Emergency engine shut down remote control with manual and automatic extinguisher in engine room.
- Smoke detectors in engine room
