Summary/Description

For Sale

2002 Queenship a custom 98' Yachtfish, PRIME TIME, was designed and built by Queenship Yacht Works LTD in 2002 to be one of the finest Long Range Cruising/Fishing boats of all time. She still fits that bill today. With her stunning good looks, long range capacity, and fishability, this truly is a once in a lifetime opportunity to own an outstanding vessel. PRIME TIME is just as comfortable in the majestic areas of Alaska as the remote regions of Panama and everything in between. When you need to get there quickly, she can cruise comfortably at 20 knots or cruise economically at 10 knots. The Humphree zero speed stabilizers work equally well whether you're at cruising speeds or spending the night in your favorite anchorage. PRIME TIME is LLC Owned and is currently docked in Newport Beach.

Key Features Include:

- Custom long-range Yachtfish
- Humphree Stabilizer
- 2001 Nautica RIB 15 tender with a 2013 Yamaha 70HP Outboard
- LLC Owned
