Summary/Description

This 2006 46' Hunter LE is well equipped for cruising with 3 staterooms, 2 heads with stall showers, diesel generator and great cockpit space. Easy to handle with in mast furling and all lines run to the cockpit with line clutches. Call us today to preview this fantastic cruiser.

This 2006 46' Hunter 46LE Sloop was the last 46 footer that Hunter ever built and is Hull number 348. Hunter re-configured the 46 into the 49 and stopped production on the 46. Northern Dawn was ordered for the original owner from the factory with many upgrades and extras. The current owner has installed a new full cockpit enclosure with zip up isinglass windows, cockpit windlass controller and chain counter, new custom toilet and much, much more. The interior is huge with 6'6" headroom, 3 staterooms and 2 heads with stall showers. The interior could use a bit of wood repair and headliner service. New electronics were installed in 2013, 2016 and 2023 and brand new mattress's were purchased in 2019/2020. There is a Northern Lights 8kw generator to run the fully air conditioned interior at anchor and separate Isotherm refrigerator and new freezer to keep your food cold including a small ice maker. The huge cockpit has multiple storage lockers, cockpit cushions and seating for 8 plus all the sail controls lead directly into the cockpit for easy single handling as well as an electric winch to do all the hard work. Two brand new 8D house batteries were installed in 2020 and will run all of the 12V systems. New running rigging had been added as well as a couple of SS stays replaced and a new chainplate installed. A new set of SS davits and a 10' Highfield aluminum dinghy with a 4 stroke outboard were purchased. This cruising vessel has all of the living space needed and is very well equipped needing very little. If this 46' Hunter LE is of interest, please call Barry at 954-873-1800 and start your cruising life today.
