Summary/Description

The ArrowCat 320 defines the high-end cruising cat market. She will reach 50 mph when needed but is an economical cruiser, with strength and style. Her accommodating layout includes a luxurious interior cabin, a modern fully equipped galley plus a full head

A power cat for cruising and fishing, this low hour ArrowCat 320 Express (470 original hours) due to seasonal use. She is well equipped with generator and AC installed at the factory in 2018, cockpit passenger seating installed at factory in 2018, nice electronics package, Hardtop solar panels, windlass and Seadek flooring installed in cockpit and swim platform.

The ArrowCat 320 defines the high-end cruising cat market. She will reach 50 mph when needed but is an economical cruiser, with strength and style. Her accommodating layout includes a luxurious interior cabin, a modern fully equipped galley plus a full head.
