Summary/Description

FREQUENT FLYER is a 1999 Boston Whaler 23 Outrage with low-hour, twin Evinrude 130hp E-TEC engines, GARMIN Chartplotter/Fish finder, VHF, Stereo system and Porta-Potti tucked in the center console. With Boston Whaler quality build and re-sale value, this is an opportunity you don't want to miss!

The Boston Whaler 23 Outrage has proven to be one of their most popular models due to its safe, comfortable ride designed to go where the big fish are and get you home with your catch. The center console is large enough for a Porta-Potti and safe storage of electronics and more. Wide decks allow access all around with a stainless-steel frame and extra cockpit depth for a sense of security.

This "ultimate fishing machine" is equally comfortable just cruising around or relaxing. Twin E-Tech Evinrude engines provide plenty of power and torque while being more fuel efficient than many larger engines.

FREQUENT FLYER is an opportunity to own a great boat, recognized for value and quality. Owner must sell and offers are encouraged. Located in Norwalk CT and shown by appointment.
