Location: Starboard

Summary/Description

2002 Carver 406 Motor Yacht

The Carver 406 Aft Cabin Motoryacht is built on a deep V hull and has a nice two stateroom, two head, galley down layout. Light maple woodwork and large wraparound salon windows make the interior bright and cheerful. There's a nice flybridge with hardtop and a roomy aft deck with molded steps down to the integral swim platform. *Serenity's* experienced owners have maintained her well and have added several desirable upgrades such as a hardtop, bow thruster, new electronics, solar panels, an inflatable dinghy on davits and much more. Twin 330hp Cummins diesel engines (2200 hrs) provide a 20 knot cruise speed. *Serenity* is truly in outstanding condition! Don't miss this exceptional, well equipped mid-size motor yacht! See updates list below.

Overview

Equipment

Vetus Bow Thruster

Maxwell Anchor windlass

Rocna 54lb anchor with 200' of all chain rode

Fresh and raw water bow anchor washdown system

Kohler, fresh water cooled 10kw Generator model 10 EOZ
