Manufacturer Description

The company's proprietary RAMCAP construction process ensures that all Everglades boats are unsinkable. Designed with space for family and friends, there are seats at the stern, helm, and forward of the console. The combined T-top/console with its wraparound windshield offers outstanding helm protection in all kinds of weather. Standard features include a deluxe leaning post/helm seat with 66-gallon circulating livewell, large console compartment with marine head, sink and shower, lockable rod storage, two insulated fish boxes, slide-out cooler, tackle lockers (2), toe rails, fresh and raw water washdowns, and a foldaway transom seat. There are four rod holders in the gunwales, six in the transom, and six more across the back of the hardtop.
