Manufacturer Description

Spacious family cruising yacht with desirable shallow draft wing keel with just 4'5 draft, perfect for exploring local waters!! When the Catalina 28 first introduced in 1991 and the much-improved MK II introduced in 1996 they were touted as a careful blend of innovation and traditional values? and promised to pass the test of time. All these years later she has proved herself time and time again.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
