Summary/Description

Ms Molly a 26 Sisu Downeast Lobster boat built at the Portsmouth Boat Works, Dover NH, designed by Royal Lowell powered by a Perkins 4.236 Diesel 85 HP completely rebuilt by Trans-Atlantic Diesel 2021 and well maintained by its owner.

Ms Molly a 1982 Sisu Downeast Lobster style hull designed by Royal Lowell built by Portsmouth Boat Works Dover NH that produced over 300 of the 26 model. This hull originally commissioned on Lake Superior the present owner purchased and brought it east to use for fishing in Long Island Sound. Powered by a Perkins 4.236 85 HP Diesel that has been remanured by Trans Atlantic Diesel in 2021, back deck completely redone 2022, new windshield glass 2020. This well maintained Sisu has a large cabin forward, spacious V berth with plenty of storage, galley to port, enclosed head to starboard, and teak and holly sole. Extended hard top with canvas / isinglass side curtains, large cockpit area with motor box for seating, 2 Freeman deck hatches, igloo Cooler, stand up helm station with Garmin GPS chart plotter and sonar and VHF marine radio. Cruises nicely at 10-12 knots just sipping fuel. She is ready for her next owner shown by appointment.

Electronics

- **Garmin Chartplotter / Sonar combo UHD74V**
