Engines/Generators

Summary/Description

The same family has loved and cared for her since new. They replaced the engine with a new Yamaha 250 outboard in 2016 and she should have less than 300 hours on her.

Pursuit 2470

The Pursuit 2470 Walkaround features an innovative deckplan and sleek features that make her both attractive and functional. Featuring a hardtop liner, a backrest for the aft port seat, exceptional storage, a livewell, and insulated fish / cooler boxes, this flexible boat is ready for practically anything. Its unique hull design and legendary construction allow the boat to plane quickly, as well as providing a smooth, dry ride. A spacious cabin adds to her flexibility, with comfortable accommodations for two. Other standard features include a 20-gallon freshwater supply, a portable head, two opening portlights with screens, and an interior lighting package.
