Summary/Description

The Ferretti Bros. began making yachts for the American builder Chris Craft in 1968 in Italy. Italian craftsmanship brought details and finish to the American designed runabouts never seen before. Today Ferretti is a major force in yacht production in the world markets. Their creations and unique ou

Description

What if you had a private island. Off limits to everyone unless invited. What if your private Island could move. At sun up you are in port and at sundown you are anchored off of a beautiful island. Imagine that you can embrace all of the inhabitants and not worry about where they have been and with whom.

Welcome to yachting. Where adventures and memories for a lifetime are easily achieved daily.

The Ferretti 80 is designed to be a family cruiser. Having four comfortable staterooms, large salon and extra large outside entertaining areas there is ample room for cruising in comfort.

Main Deck

Starting aft on the main deck is the aft deck. This is usually the focal point of most social activities early in the morning and often in the evening. With seating for eight and a large teak table teak decks access to the flybridge via a molded staircase and two large opening doors leading into the salon.

Upon entering the salon from the aft deck it's immediately obvious that the woodwork is very high gloss rich teakwood with amazing quality and finish. To port is a couch that seats eight. to starboard is a small sofa that seats two. In the salon is a flat screen TV with a full AV system and large windows that bring in a bright natural light.

Moving forward from the salon and up two steps is the dining salon. A teak table and chairs seat eight for formal dining. Across from the dining salon is the galley. Forward of the galley is a dinette that is used casual dining, coffee in the morning or to relax and plan the days adventures. Across from the dinette is the lower helm station.

Accommodations

The master suite is positioned about midship below decks. The high gloss teak wood highlights the master suite. As with the entire yacht the wood work is extraordinary in detail and finish. The queen sized bed is located in the center with a makeup table on one side and a small couch on the other. There is full AV and a TV in the master suite along with plenty of drawer and closet space. Forward of the master is a guest stateroom with a double bed, Closet and drawer space and an ensuite head, Full AV and a TV.

Opposite the guest suite is a second guest suite with twin beds, closet and drawer space, ensuite head and AV and a TV.

Forward of the two guest suites is the VIP suite. A queen sized berth surrounded by drawers and fine woodwork. There is ensuite facilities, full AV and a TV

Flybridge

The fly bridge can be the main gathering point for most family adventures. There is an upper station for navigation, a large dinette for lunches or happy hour and plenty of lounging area . the davit is aft on the flybridge. The tender storage area can be there Or on the swim platform. there is plenty of room for storing toys, jet ski or whatever is required to add to the adventure..
