Summary/Description

The Motoryacht - Reinvented. The ocean's first luxury performance Sea Activity Vessel.

CL Yachts' new flagship, the 29.5-meter CLX96 is the brand's first crossover yacht. In collaboration with international designer Jozeph Forakis, CLX96 is a triumph of contemporary design. She is the winner of the Bronze A' Design Award and winner of a prestigious GOOD DESIGN Award and a cover of Yachting and Power and Motoryacht magazines as well. With her striking and bold exterior, double reverse-angle house and versatile open layout, this yacht ignites the spirit of yachting. Two distinct social zones – the Terrazza Portoghese and Piazza del Sole, offer an array of entertainment options unique to CLX96. With an abundance of natural light and panoramic views all around, the spacious salon further elevates those moments of connection with family and friends. Her lower deck features luxurious and comfortable accommodations including four staterooms and two crew rooms. Combining natural and high-tech materials for a modern aesthetic, the full-beam master stateroom features a real skylight that is paralleled by the VIP suite's virtual skylight.

Salon

Expansive windows in the salon of CLX96 allow natural light to flow through the entire interior for a bright, spacious and welcoming environment where guests can enjoy 360-degree views. A combination of noble and high-tech materials offers an aesthetic that is sure to be a future classic. With large, tri-fold doors on the main deck, the area opens up, transforming formal dining into an alfresco area. The contemporary and versatile salon has a comfortable L-shaped sofa with coffee table and a 65" fold down TV. Designed to optimized for comfort and entertaining on board, the well-equipped galley includes fridges, oven, built-in microwave, a bar with 3 stools, wine glass cabinet, wine cooler, champagne lounge with a champagne cooler and glass storage, an ice maker, a large expandable formal dining table and a day head - a fully equipped area perfect for any gathering with friends and family.

Sky Deck

With an abundance of seating and a full spread of amenities including a 50" pop-up TV, outdoor grill, refrigerator and ice-maker, the Sky Deck offers excellent options for entertaining and dining al fresco. Within the enclosed Sky Lounge, you will find side and aft windows that can be fully opened or closed, converting this area into a single entertainment zone. The enclosed Sky Lounge has plenty of seating, a refrigerator-icemaker, a wet bar and the best view on the yacht.

Terrazza Porthogese

Enjoy the best views on board, the "Terrazza Portoghese" forward of the Sky Lounge offers plentiful seating and sunbathing space with unobstructed views toward the horizon.

Piazza del Sole

On the foredeck, the "Piazza del Sole" features a large sunbed that can transform seamlessly into a circular aperitif lounge. This versatile and distinctive entertainment zone offers different options for relaxation - from soaking up the sun on the sunbed to enjoying sunset drinks into the evening.

Beach Club

Expansive and functional, CLX96's Beach Club is the perfect platform for immersing yourself in the boundless ocean

whether engaging in different kinds of water activities, or just lounging on sunbeds. The motorized Z-lift boarding platform ensures lots of fun with water activities. A hidden Nautical Structures davit makes the handling of tender and toys made easy. There is ample storage space for tenders and toys.

Galley

The open-plan galley includes an integrated bar with 3 bar stools and wine cooler for informal occasions. Offering a fully-equipped galley with high-end appliances including a 27" BOSCH oven, 27" BOSCH built-in microwave, 24" BOSCH dishwasher, 27" BOSCH cook top, full-size SUBZERO 42" standing refrigerator, a SUBZERO 24" drawer freezer ensure cold drinks are always at hand.

Accommodations

The lower deck four en-suite staterooms plus two for crew. Decorated with furnishings in natural and high-tech materials, large windows and high ceilings create a bright and warm atmosphere. The Master Suite's real skylight is paralleled by the VIP suite's virtual skylight, which ingeniously receives a feed from an on-deck camera to always display current weather conditions above.

Crew Quarters

Two separate crew staterooms accommodate up to 4 crew with a crew lounge and a spacious bathroom. The crew lounge features an upholstered settee and table, 24" wall mounted TV with sound bar, sink, refrigerator and microwave oven to provide the same high-end level as the rest of this luxurious yacht. Full size washer and dryer are located in crew as well as in guest accommodation area.

Engines and generators

Twin Caterpillar C32 ACERT with 1900 bhp each allows for fast, yet economical cruising with top speed up to 26 knots.

With a smart engine room layout, clever space planning allows for easy maintenance of engines, generators and all major components.

Twin Kohler 53kW (60 Hz) generators with sound guards and Decision-Maker 3500 paralleling controller for automatic start/stop/parallel and load share between generators.

Tankage

Our integral fiberglass tanks are located at the lowest point of the hull, resulting in a lower center of gravity, thereby increasing stability and reducing roll. This yacht has a 4100 USG fuel capacity for long range cruising.

Pilothouse

Well equipped pilothouse is spacious allowing captain great command of the vessel. The enclosed pilot area has 2 Stidd helm chairs and well appointed controls. Electronics and equipment include but is not limited to:

SEASTAR Optimus electro-hydraulic power steering

MATHERS MC2000-2 electronic engine controls

Three 22" multi-function displays

Instrument and electronic console

Engine instrumentation and alarms

RITCHIE 5" compass with light, dimmer and cover

Custom stainless steel steering wheel

Two STIDD helmsman's seat

Windshield defroster

Lightning arrester system

Electrical Systems

Electrical Circuit: 110V

CZONE monitoring and alarm system

ACR 100 searchlight with dual station remote control

LED lighting throughout for interior, exterior, cabinet and step lights, dimmable in key areas

LED navigation lights

Automatic wardrobe lights

Emergency lights, automatic at loss of primary lighting systems, with independent DC power supply

Six underwater lights
