Summary/Description

Beautiful CLB72 in excellent condition. This lightly used yacht is available from the original owner and is currently located in Boston. She has low hours on her Volvo-Penta IPS 1350 engines. This 4 stateroom plus crew model is a popular owner-operator model with adequate full beam crew quarters tha

A beautiful CLB 72 available from the original owner. This low hour yacht is currently located at Norwalk Cove Marina in Norwalk, CT. CLB72 is dedicated to innovation, state-of-the-art engineering, and uncompromising quality and craftsmanship. The yacht's timeless, elegant exterior is accompanied by a host of well-appointed interior and alfresco areas, offering everyone on board plenty of room to roam and making days at sea all the more enjoyable. Built upon the combined expertise of Cheoy Lee Shipyards, naval architect Howard Apollonio, and leading marine structural engineers at Gurit, the CLB 72 pushes the boundaries of marine engineering, achieving an exceptionally lightweight and aesthetically pleasing design without compromising the integrity of its structure. This yacht is tastefully decorated and offers a 5 stateroom layout (including crew), flush main deck, a day head and an open country galley. This yacht is owned by an experienced yachtsman with dedication to maintenance and well being of his yacht. 'Absolutely' is an amazing family boat and ready for a new owner that will appreciate her features and capabilities as much as the current owner does. Volvo-Penta extended transferable warranty is in place covering the entire original Volvo-Penta equipment supply and components. MOTIVATED SELLER, MAKE AN OFFER!

Walkthrough

Boarding the vessel via the hydraulic swim platform is easy due to the platform's enormous size. The platform can hold up to 1500 lbs of tender weight allowing easy operation of a good size tender or a large jet ski. Crew quarters are accessible through the transom engine room door and they also have a secondary main deck side access. Accessing the spacious aft deck is easily done with wide teak stairwells port and starboard. A large teak table welcomes guests for cocktails and al fresco meals. The aft deck is well lit and features granite top wet bar, refrigerator and ice maker. A television is mounted for easy viewing from the table seating. There are side gates for boarding ladder on both sides as well as joystick docking stations on both sides. Entering the salon through the touch button stainless steel salon electric doors you will be welcomed to a bright and spacious main deck salon. Notice that the entire main deck floor is flush with no step between galley and salon. This yacht has beautiful hickory wood and natural stone decor. To port is the comfortable L shaped sofa, cocktail table with two chairs and the television stows away inside the starboard cabinetry.

A conveniently located day head is just forward of the salon to starboard. Forward of the salon is the fully equipped and open galley with large island. Galley everything you need for to prepare meals for extensive stay in the islands. Galley is equipped with full range of Bosch and Subzero appliances, wine cooler and four drawer refrigeration/freezer units. The countertops are Fenix NTM self-healing material in black matte finish. Forward of the galley to port is a beautiful glass dining table adjacent to the lower helm station which is slightly to starboard. Starboard of the helm is the pilot house door and stairwell down to the staterooms. Accessing the bow through the weather tight fiberglass door to starboard you will find a comfortable sun pad area. The foredeck area is equipped with drink holders, pop up lights, Fusion stereo and speakers and placements for the sunshade's carbon fiber poles.

STATEROOMS Going down the stairs the all 4 staterooms are all accessed by the main companionway on the lower deck. The VIP is forward and contains a queen berth, cedar lined wardrobe, large hull side windows and a spacious en suite head and shower. On the port side of the companionway is the twin berth guest stateroom, large wardrobe, hull side window with shade and en suite shower and head. The starboard guest stateroom encompasses two single berth, lower and upper, with storage drawers, cedar lined wardrobe and hull side window with shade. Aft of the starboard guest in the companionway is the full size separate washer and dryer with storage. The full beam master stateroom is

exceptionally spacious and bright with plenty of room around the athwartship king berth to port. To starboard is a make up table with lighted mirror, storage and cabinetry housing the 55" pop up television. The large hull side windows are tinted and allow plenty of natural light. Aft of the master berth to port is a spacious walk in closet with plenty of hanging and drawer storage. To starboard is the master head and shower entrance with smart, privacy glass. The master head is finished with stall shower, double sink counter, stone floor and vanity mirror with LED light frame.

FLYBRIDGE The flybridge is accessed via large and gentle staircase on the port side of the aft deck. Upon climbing the stairs the first thing you will notice is the tremendous space on the CLB72 flybridge. At the forefront is the center line upper helm station provisioned with Garmin electronics, Stidd Captain and co-Captain chair. The Captain's chair is equipped with joystick and GPS controls and the forward area is protected by a large hardtop. The molded flybridge seating area to starboard is versatile. Forward area contains teak cocktail tables, the center bench backrest is reversible. The amenities on the flybridge are comprehensive; to port is a cabinet with stone countertop housing an electric grill, storage and refrigerator. The aft end of the flybridge is equipped for the carbon fiber sunshade and room for your own personal lounges.

Description
