General

Kenzie Jane is a 1937 Chris-Craft Deluxe Runabout in nearly mint condition!

She is one of only 529 double cockpit runabouts built between 1937 and 1939.

The boat has been completely restored with no expenses spared. She sports a new "No-Soak" bottom, completely refurbished and refinished bright work and an entirely refurbished deck.

The engine was rebuilt and refurbished prior to current ownership but is kept up with the overall matching high standards for the boat and is the original Chris Craft Model-KL 105 hp

The boat offers custom gold leaf lettering as well.

The upholstery is in great condition, the windshield and all metal framing are in excellent shape. Overall the boat has been restored beyond it's original beauty.

This is one of, if not the cleanest classic Chris Crafts available on the market currently.

Trailer

The boat is also being sold with a brand new, custom built trailer that was made specifically for the boat. All paperwork is up to date and ready and available for purchase.
