Shamrock 220

Shamrock Boats. A fifty-year legacy, Shamrock began building boats in 1971 until the early nineties and recently in 2021 opened its doors once again creating new molds for the 20 and 26 models. Based on the original designs by George Boyton, Shamrock is once again creating the simple, effective and classic design. The new company is focused on its new designs but also supporting owners of the previous models. Shamrock has an almost club-like following with its owners who have come to appreciate their stylish and usable designs. Call for an appointment to see one of Shamrocks original builds, easy to see in St. Michaels, Maryland.

Features

Furuno depth finder, VHF radio, battery charger, four blade prop, porta pot head. New exhaust manifolds and new oil pan. New bottom paint.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
