Summary/Description

New Listing! Like new 2020 Scout 300 LXF. Twin 300 Mercury four stroke engines. Low hours. Garmin electronics package.

2020 Scout 300 LXF Center Console with twin 300 horsepower four stroke Mercury engines. Very low hours. Excellent condition. Joystick control and luxurious padded seating and forward padded lounge makes this a fast and comfortable ride. Spacious and comfortable interior cabin with twin bunk, head, wet shower and sink. Perfect for fishing or weekending with the family.

Walk Through

Luxury, speed and fishing performance come together with this large center console from Scout boats. From its sleek styling to comfort features such as Seatek cushion flooring, thick padded seating and bolsters and Italia lounge upholstery. this boat is perfect for a weekend of fishing and family fun. The twin Mercury 300 engines produce plenty of horsepower and speed to get to the fishing spots or sandbars with ease.

Stepping into the cockpit from port one finds a large fold away stern seat with room for two and a stern door which accesses the integrates swim platform surrounding the outboard engines. Moving forward a tackle station with refrigerator, live well, sink, cutting board, two drink holders and two rod holders is situated behind the helm seating. At the helm there is easily 360 visibility, a full glass windshield and side windows, a hardtop overhead and every control within easy reach. The helm is highlighted with two Garmin GPS Chartplotter with radar and fish finding -bottom sounding capabilities. Topped off with a joystick control this this boat is easy to control and navigate.

Inside the center console is a roomy cabin with head, wet shower, sink and bunk for comfortable weekends.

On the foredeck one finds a large lounge above the interior bunk with a large padded cushion for sun bathing and lounging with plenty of room for two. Padded seating with adjustable backrests on either side over storage compartments in the bow with full bolsters from bow to stern. A forward anchor locker with electric windlass is located under the front hatch.
