Introduced in 2004, the Carver 420 Mariner delivers the space and comfort boaters demand in a modern cruising yacht. Her raised-walk deck design and expansive floor-plan make the 42 Mariner one of the roomiest boats in her class. The highlight of the interior is a cavernous, full-beam salon with high-gloss cherry cabinetry, Ultra-leather seating, and large step-down galley with under-counter refrigerator/freezer. (Note the big storage locker under the galley sole.) Both staterooms share a single head compartment, and a filler piece quickly converts the twin single berths in the guest cabin into a comfortable double. Flanking stairways lead from the cockpit up to the Mariner's spacious fly-bridge where three skipper's chairs face the helm and a circular aft lounge seats several guests. In the cockpit, a bridge overhang provides some shelter from sun and rain. Additional features include a fly-bridge wet bar, radar arch, fore-deck sun pads, cockpit lazarette, satellite radio system, and an extended swim platform. Optional 370hp Volvo diesels cruise the Carver 42 at 20 knots and reach a top speed of 24-25 knots.
