Summary/Description

The Taswell All Season 58 is one of the most perfect BLUE WATER Cruising boats ever built.

She has a moderate draft for a boat of this size, 6'9". Her beam allows for a salon unequalled in boats this size. A beautiful dining table with wrap around seating for at least six and adjacent a sitting area with twin settees and a coffee table between. The perfect area to relax or enjoy drinks. Her raised deck salon features abundant good natural lighting throughout. Designed by Bill Dixon and built at the Ta Shing yard her joinery is second to none. Curved furniture design with workmanship from a bygone era surround you at every turn. A large navigation station to starboard fills out the spacious salon.

Moving forward to port is the third cabin with twin over under berths, drawer storage, hanging locker and overhead hatch and opening hull portlight. Across from the third cabin is the forward head with dual access making it available as a day head and accessed from the forward VIP cabin as well. The large forward head has a stand-alone shower with acrylic door, electric fresh-water head, mirrors and good storage along with opening hatch and hull portlight. The VIP cabin is all the way forward featuring a centerline queen berth with custom linens, three overhead opening hatches and two opening hull port lights. Storage cabinets line both port and starboard hulls and a large hanging locker provides additional storage.

The very large and functional galley is to port and runs aft from the salon to the master cabin. The galley has lots of counter space, a large double stainless sink, trash compactor, icemaker, front loading refrigerator and freezer, Force 10 three burner cooktop oven, microwave, air fryer and bread maker. The galley is very well equipped as mentioned and is offered turnkey; everything stays with the boat. Inboard of the galley is access to the mechanical spaces.

Making your way aft through the galley you enter the master cabin. A large dresser with mirror is located at the foot of the centerline queen berth. Custom linens and pillows all included in her turnkey condition. Drawer storage and cabinets surround the berth and large hanging lockers provide additional storage. Two overhead hatches with shades, multiple opening portlights add to the amazing ventilation and airiness. The aft head to starboard features electric freshwater toilet, beautiful counter tops medicine cabinet with mirrors and storage. The shower is stand alone with acrylic door and large storage locker inside shower area.

As mentioned, CELEBRATE is being offered Turnkey including all tools and spare parts which are numerous. A new Windex, wind transducer and a brand-new electric motor for windlass just to mention a few. Celebrate includes 2022 AB CENTER CONSOLE 11'.6" dinghy with 40 HP Honda outboard, New electronics, and all hatches and portlights were pulled and re-bed in 2023.

CELEBRATE IS A BOAT NOT TO BE MISSED FOR SERIOUS BLUEWATER SAILORS.
