Summary/Description

Hull #1 Available for Order Preliminary Specifications Classic, contemporary and modern. And here we are: the new project, IY 20.98 the new Mini Maxi by Italia Yachts that expands its range upwards, with a hull in line with the fleet already produced up to 55'. The hull will be tapered, designed t

Introducing the Italia Yachts 20.98 Mini Maxi, a remarkable testament to the evolution of yachting craftsmanship. Impeccably designed, the 20.98 Mini Maxi encapsulates a blend of classic, contemporary, and modern aesthetics. Its sleek hull, reminiscent of our prestigious fleet, exudes an undeniable elegance while promising exceptional performance. The yacht seamlessly caters to the desires of the most discerning owners, offering versatility for long-distance cruising and competitive regatta participation.

Harnessing the latest technological advancements, its hull boasts a green design for reduced consumption, an optional lifting keel, and an advanced optical fiber lamination system for structural integrity. A generous sail plan ensures captivating performance in light winds and absolute safety in harsher conditions. With a deck designed for sociable sailing and luxurious, customizable interiors, the Italia Yachts 20.98 Mini Maxi elevates sailing to unparalleled sophistication and enjoyment.

Innovative Technology & Advanced Design

At the heart of the Italia Yachts 20.98 Mini Maxi lies a pioneering spirit, infusing technological innovation with advanced design principles. The yacht's hull, a marvel of modern engineering, features optical fibers integrated within the lamination process, allowing for real-time structural monitoring at each programmed point.

This technological edge is further enhanced through collaborations with industry leaders such as B&G, Volvo, Allspar, and the most advanced research centers in the infusion lamination sector. Eco-conscious in its design, the 20.98 Mini Maxi's hull promotes reduced consumption without compromising performance. It is optionally equipped with a lifting keel, enhancing its adaptability to diverse sailing conditions.

A notable design feature is the generous sail plan, engineered for optimal performance in light winds and absolute safety in stronger winds, a signature characteristic of the Italia Yachts range. These cutting-edge design elements merge seamlessly, demonstrating the yacht's commitment to delivering superior sailing experiences while embracing sustainability and modern design.

Modern Luxury & Design

The Italia Yachts 20.98 Mini Maxi represents a harmonious synthesis of luxury and Italian design ethos. Embodied in its sleek lines and elegant profile is the timeless allure of Italian aesthetics, distilled into a nautical masterpiece. The yacht's hull, slender and gracefully tapered, is an ode to elegance on the water – a testament to the vessel's roots in the esteemed tradition of Italian yacht design. The yacht exhibits a unique blend of ergonomics and style, marked by a

careful selection of materials and adherence to high standards, aiming for a balance of opulence and weight efficiency.

Customizable layouts offer the ability to shape interiors to personal preferences, incorporating features usually found on larger vessels, such as a kitchen-living area and a separate crew area. This combination of bespoke luxury and Italian design influence gives the Italia Yachts 20.98 Mini Maxi its distinctive personality – a beacon of refined taste and advanced design on the seas.

Deck Features

The deck of the Italia Yachts 20.98 Mini Maxi brilliantly encapsulates functionality, style, and comfort. The layout is expertly designed to cater to both the avid sailor and the laid-back guest. The halyards are managed by winches at the mast foot while the winches for adjusting the sheets are conveniently positioned at the stern, permitting an optimal sailing experience even with a reduced crew.

The livable spaces on deck are generously proportioned and designed for sailing operations and relaxation. The cockpit, a substantial area, emerges as an excellent setting for onboard socializing and entertainment. The yacht further facilitates free and easy movement with the off-center table on the port side, creating a free walkway through the sternum/internal passage.

In a celebration of natural light, skylights and large windows are strategically integrated into the design. These enhance the overall ambiance and foster a seamless connection with the surrounding seascape. Every design element of the deck, from the arrangement of the winches to the careful placement of the walkways, underscores the Italia Yachts commitment to combining elegance with practicality in the 20.98 Mini Maxi.
