This Is Monachus. A Revolution in Luxury Cruising

Since 2007, Monachus Yachts have been expertly crafted near the town of Split in the Mid-Adriatic region. With the aim of achieving excellence in design and construction driven by our client's priorities, the Monachus design team listened first to the needs of a changing marketplace; drew knowledge from their first-hand cruising experience in various weather conditions, and produced an evolved vessel concept. Stability and navigability garner special attention, followed by vessel ergonomics, designing and arranging features use so that boaters can understand and interact with their vessel most efficiently and safely...setting new standards for cruising performance, comfort and safety in the recreational boats industry.
