Summary/Description

This is your chance to own an exquisite example of Sea Ray craftsmanship with impressive crowd stopping looks. This 50' Sundancer (called the 480DA in 1990-1991, and the 500DA from 1992 - 1999) has been recently updated with an interior finishing comparable with that of newer models. Cruise around in comfort and style in a huge cockpit featuring a large "conversation pit" with two very large settees, plus plenty of extra deck space for chairs and a table.
