Summary/Description

Raising Champions is a rare and highly desirable Marine Trader 46 Fast Trawler with twin Cummins 250 hp engines. She is loaded with upgrades, and she is turn key ready to cruise the Florida Keys, The Bahamas, or anywhere in the world. With two staterooms and two ensuite heads, she would also make a great live aboard. From the engine room to all bilge areas to the new bimini top on the bridge and the new bimini top over the sun deck Raising Champions is extremely clean and well maintained throughout. Although the owner has put over \$270k into her, the asking price is well below \$200k.
