ORIGINAL OWNER and professionally managed by the same Captain for 20+ years! 1001 original hours on CAT 3196's @640HP (After Cooler and Heat Exchanger Services scheduled for April 2024).

New Generator / Hydraulic Swim Platform / Bow Thruster / Good Gelcoat with No Crazing / Exceptional Interior

One of the best-looking sedan cruisers of her era. Built on a fully cored hull with prop pockets to reduce the shaft angles, the 480 boasts a surprisingly large interior for a boat this size. Step through the sliding glass doors to a spacious salon with its electrically convertible sofa, dinette, and built-in entertainment center. Opposite, the large galley is designed with an island-style breakfast bar and under-counter refrigeration. There are three staterooms on the lower level including a full-size berth in the port-side stateroom, twin bunks (and a washer/dryer combo) in the starboard stateroom, and a spacious master stateroom forward with an entertainment center. On deck, molded cockpit steps lead up to the bridge where wraparound lounge seating is located forward of an extremely well-designed helm console. Additional features include high-gloss interior joinery, an extended hydraulic swim platform, transom storage, wide side decks, and a fiberglass hardtop. Optional 660hp Cats provide a cruise in the high 20s with WOT at over 30 knots.
