Summary/Description

This 1987 26 foot Gravois is "The Man". With its two 225 Ocean Runners Evinrude motors, it will do 51 mph. Both engines just worked on at an expense of \$13,000.00. The SEE SPIRIT has a generator that sits on top that runs a/c and microwave. I (listing agent) priced out a new hull at \$105,000.00. This is a true bargain for anyone looking to go fishing offshore with a 200 gallon gas tank in the center bilge and two 80 gallon wing tanks.
