Summary/Description

Motoryacht VIAGGIO is a 72ft / 21.95m luxury yacht for sale, built and launched by yacht builder Hampton. Delivered to a knowledgeable yacht owner in 2014, this luxury yacht sleeps up to 6 guests in 3 staterooms and has accommodations for 2 crew.

Walkthrough

Highlight features for VIAGGIO incorporate a comprehensive catalog encompassing design, function, layout, performance, reliability, and safety. VIAGGIO's floorplan is welcoming and comfortable, boasting volumes of space and natural light typically seen in larger yachts. The current owners are only the second owners of this beautiful yacht. They have spent over \$400,000 in decorating enhancements as outlined below. The interior and exterior soft goods have all been tastefully coordinated by interior designer Michael Richman, Chicago, IL.

The main deck is open from the aft deck through the salon and dining area forward to the galley with generous headroom. Design elements combine tasteful and durable custom carpets, fabrics, furnishings, and décor throughout, with richly finished high gloss Makore Cherry and Holly flooring in the dining area, bar, skylounge, crew cabin, and foyer. Complementing the luxurious interior is stunning gloss-finished Makore Cherry cabinetry, doors, and wall panels. A dramatic backlit quartzite countertop at the transition between the salon and dining area presents an eye-catching statement which is complemented by quartzite countertops in the bar and galley. The flooring in the galley is porcelain with a Makore Cherry border. The owner's and guest Heads are fitted with Marble countertops and flooring along with matching hardware for light fixtures, doors, cabinets, and drawers.

Well-appointed accommodations include a full beam, king bed owner's stateroom with walk-in closet, ensuite head and shower, VIP cabin forward with a centerline island bed and ensuite access to the guest head and shower, port guest cabin with matching single berths. A captain/crew quarter with over/under bunks, head with vanity and separate shower can be used as a 4th stateroom. Day heads with vanities are located on the aft deck and in the skylounge. An abundance of hanging lockers, drawers, and storage compartments in all accommodation areas with the laundry forward and central vacuum system is key for an orderly yacht.

Exterior spaces on the main deck extend forward from the aft deck along deep, wide, and covered side decks to the Portuguese bridge and foredeck seating. At the bow area resides a MUIR HR4200 dual gypsy hydraulic anchoring system with a 60 kg polished stainless steel Bruce Claw Style anchor, swivel, and 250' of chain, an 80 kg polished stainless steel Plow Style anchor, swivel, and 250' chain, adjacent anchor launch & retrieve foot pedal controls. Washdowns (both fresh and saltwater) and deck drains are positioned to aid in cleanup.

Access to the skylounge is either via aft deck molded stairs or by ascending the starboard stairs next to the galley.

On the skylounge deck forward and centerline is the helm area with Garmin electronics, CAT engine displays, 2-electric adjustable Llbroc helm chairs, a Captain's storage cabinet with shelves and pullout file drawer, FUSION stereo system,

Samsung 32" Smart LED TV, (2) custom tables, L-Lounge, adjacent custom bench seat with flip bolster, a day head and entry doors aft and to starboard. A custom bound edge carpet cover protects the gloss-finished Makore Cherry and Holly flooring.

Aft of the skylounge, is an outdoor galley with an electric Kenyon BBQ, refrigerator, sink, Corian countertop, and storage. Positioned port and starboard for good visibility during docking maneuvers are wing stations with ZF electronic Joystick engine and hydraulic thruster controls.

The Upper Aft Deck section has a self-draining non-skid FRP deck area that presents a fabulous multi-use entertaining, lounging, and exercise area with plentiful space and room for the ZAR 13' tender with launch options either to port or aft with the full extension, power rotation UMT Marine 1800-pound capacity davit.

Impressive is the stand-up headroom in the engine room. Also, there is ample room forward and between the engines for accessibility to critical systems. The reliable and efficient Caterpillar C18 ACERT Marine Diesel 1136 hp Main Engines with underwater exhaust and only 2640 hours (4/1/2024) Managed by a 5-station ZF electronic Joystick engine control system which includes a skylounge helm station, 2-aft deck wing stations, 2-fly bridge wing stations, are the heart of performance offering high torque at low RPM's providing excellent vessel control. Balancing the robust drivetrain are ZF gearboxes, Hydraulic PTO's, Shaft System with 3" AQUATECH HS #22 stainless steel propeller shafts, 5-blade propellers, Spurs line cutters, stainless steel spade rudders, and Sea Star steering.

A central hydraulic system powers the WESMAR 12' stabilizer fins, WESMAR 33hp hydraulic bow and 33hp stern thrusters, and MUIR dual gypsy anchoring system.

Fully integrated electrical system with Kohler 28 kW and 15 kW 120/240V/60 Hz Marine Diesel Generators, MASTERVOLT inverter/charger & remote panel for ship's service, Mastervolt battery chargers, 24VDC to 12VDC converter, LED 24V Lighting, House Batteries, Starboard side midship Dual Marincos 50A/125/250V shore power connections and aft port and starboard Glendinning Cablemaster CM7 motorized storage system with retraction and extension of the 50A/125/250V shore power cords. The 120V / 240V AC, Inverter breaker panel and the 24V/12V DC breaker panels are well labeled and backlit.

NMEA 2000 certified manufacturer Garmin electronics suite components are installed including 3 - Garmin MFD touch-screen color displays with preloaded maps, two ICOM VHF radios, GMI10 display, autopilot, and display. Cameras stream views from the aft, and engine room to the skylounge Garmin displays.

The comfort climate control throughout the accommodations, main deck, skylounge, crew area, and engine room are Dometic's multi-zone chilled water air conditioning with reverse cycle heat system.

Throughout the main deck and skylounge perimeters are large embedded fixed frameless windows which bathe the interior spaces with natural light. In addition, the skylounge has three opening hatches in the hardtop above the helm

area and opening windows aft port and starboard for fresh air.

Hull, Superstructure, and Deck

- Exclusive Hampton Endurance Hybrid Hull designed for comfort, safety and efficiency
- Hand-laid solid fiberglass hull with Cymax (Kevlar)
- Vinylester resin for first 5 layers of hull lay-up
- (2) layers of Kevlar from chine to chine and 3 layers of Kevlar in the forward collision zone
- Hand-laid fiberglass deck, deckhouse & flybridge cored with high-strength Divinycell foam
- Hull/deck joint through-bolted, sealed with 3M 5200 sealant, and finished with 3 layers of fiberglass
- Longitudinal and transverse stringer system providing hull strength and rigidity
- Molded FRP rub rails capped with solid stainless steel trim
- Molded non-skid FRP decks
- Interior structural components all properly bonded to the hull
- Stainless steel 316L Oval handrails

Skylounge / Deck

- Enclosed skylounge with LED lighting
- Frameless window enclosure with stainless steel door aft to upper aft deck; opening windows aft port and starboard
- Skylounge starboard side custom curved stairway to main deck galley and dining areas; closing gate hatch at top step
- Aircraft style pantograph starboard side skylounge door for access to the upper Portuguese bridge
- (3) Opening hatches over the helm area, center one is larger, all have screens and blackout covers
- Centerline station with complete engine & navigation instrumentation
- (2) Llbroc electric adjustable helm chairs with matching custom fabric and stainless-steel pedestals
- Helm steering wheel; Makore Cherry and stainless steel
- Chart locker
- ZF electronic engine controls
- Kahlenberg Air Horn remote control
- (3) Garmin GPSMAP 8617 series 17" touch screen monitors (NEW 7/20)
- Garmin open array radar GMR1224 (NEW 7/20)
- (3) Dual Garmin chart receptacles (NEW 7/20)

- Garmin autopilot with wireless handheld control
- Garmin GCH20 autopilot controller (NEW 7/20)
- Garmin GMX54 sat/weather antenna (NEW 7/20)
- Furuno ultrasonic station weather 220WX (NEW 7/20)
- Garmin GMI 10 integrated marine instrument (NEW 7/20)
- (2) ICOM IC-M424G VHF radios with mic and hailer (NEW 7/20)
- Yacht Controller
- AIS
- Hydraulic power steering
- Hydraulic trim tabs remote control
- ACR Point Pad search light remote control
- Fusion stereo with (6) Fusion speakers and subwoofer (skylounge & upper aft deck) (NEW 1/21)
- Ships System Water intrusion Indicator Panel
- Caterpillar engine displays
- Fuel and water tank gauges
- Exalto windshield wiper system
- WESMAR stabilizer system remote panel (UPGRADED 1/21)
- WESMAR bow and stern hydraulic thruster controls
- MUJR windlass remote control
- LG Smart TV at port helm area (NEW 11/23)
- Winslow 6-person Life Raft (NEW 3/21)
- ACR Ditch Bag with ACR EPIRB (NEW 3/21)
- Maintenance Logs, Systems Manuals, Drawings and Files
- Cherry sole with custom bound-edge carpet overlay
- Samsung 32" Smart LED TV with lift on starboard side (NEW 1/21)
- Captain's cabinet and file drawer on starboard side with wireless printer
- Large double-leaf dining table with built-in L-shaped custom upholstered dinette/cruising settee
- Day head located in starboard aft corner
- Custom Makore Cherry cabinetry with gloss finish

- (3) Zone Dometic chilled water air conditioning system with thermostats
- 110 VAC outlets w/USB installed at the helm station, settee & entertainment center
- Upper aft deck entertainment center includes Corian countertop with stainless steel grab rail, under counter sink & Grohe faucet, U-line beverage refrigerator, and electric Kenyon BBQ grill
- Upper aft deck freshwater deck washdown
- Port and starboard wing stations with ZF electronic engine controls, JMS Joystick control, and thruster controls
- UMT Marine 1800lb capacity power rotation davit (REBUILT by UMT5/23)
- Non-skid exterior decking
- Stainless steel folding ladder for access to the top of hardtop (stores in Starboard side access hatch)
- Stairway "molded fiberglass" from cockpit to flybridge with teak steps treads & 316L SS oval safety handrail
- SeaTeak Teak Chairs with custom sling (Qty 4)
- Westminster Teak Lounge Chairs with Custom Cushions (Qty 2)
- Custom Upper Aft Deck Carpet
- Custom Upper Aft Deck Awning with Carbon Fiber Poles

Electronics / Security

WiFi (NEW)

- Starlink Marine Antenna (NEW 5/23)
- Algean long-range WiFi client (NEW 2/21)
- Pepwave Classic 4G LTE Client (NEW 2/21)
- Shakespeare 2.4db Galaxy Cell Antenna (NEW 2/21)
- Algean 3 Source (3 Hotspots) Gigabit Router (NEW 2/21)
- Eaton 700VA Tower Battery Backup (NEW 2/21)
- Satellite TV Intellian s6HD Dome

GOST Apparition Security System (NEW, 2/21)

- 5" Touch Screen Control Unit
- Full Battery Back-up
- (2) Key Fobs
- External Shore Power Sensor

- Internal; Low Voltage Sensor
- GA Mini Siren & Strobe
- (5) Door Security Switches
- (3) High Water Sensors
- (1) Motion Sensor Aft Deck
- (1) Smoke Detector Security

Blink Wireless/WiFi Security Camera System (NEW 2/22)

- (5) Cameras for outside surveillance
- (5) Cameras for inside surveillance

Fusion Stereo System 8 Zone (NEW 1/21)

- Fusion MS-RA770 Salon
- Fusion MS-RA670 Owner's Bedroom
- Fusion MS-WB-WB670, For Pilot House
- Fusion ERX400 network remote (Qty 2) (Pilot House and Aft Deck)

Eight zones:

- Pilot House: 2 zones, 4 speakers and one subwoofer
- Upper Aft Deck: 1 zone, 2 speakers
- Salon: 3 zones, 8 speakers, 1 subwoofer
- Aft Deck: 1 zone, 4 speaker, 1 subwoofer
- Owner's Bedroom: 1 zone, 4 speakers
- JL Audio M800/8 Amplifier Qty 2
- JL Audio M600/6 Amplifier Qty 1

Aft Deck & Swim Platform

- Aircraft style pantograph transom door
- Aft deck storage cabinet with Corian countertop

- Boarding gates: port & starboard FRP gates & dual aft stainless steel & glass transom gates
- MarQuipt Boarding ladder storage - under port aft wing control station
- (2) Cleats installed on the aft deck caprail aft of the boarding gates
- Cruising settee with custom upholstered cushions and canvas cover
- Teak wood aft deck settee table with compass rose inlay
- (Qty 4) Teak Kingsley Bate deck chairs
- Sun/Wind screens for the aft deck area
- Samsung LED TV in overhead drop-down compartment behind the salon entry door
- Fresh and raw water washdown outlets
- Hot/Cold transom shower
- Day head with privacy door, Corian topped vanity and floor, sink & faucet, cabinet, mirror and LED lighting
- LED overhead with dimmer control
- Courtesy lights for deck and door key
- Gost system motion sensor and Blink security camera
- Port & starboard recessed swim platform pop-up cleats
- Port & starboard transom storage compartments with drains
- Recessed cablemaster channels - port & starboard on swim platform
- Stainless steel swim ladder
- Swim platform stainless steel guard rails; 2 1/2" diameter with a spare place holder
- Teak decking on aft deck, side decks forward to FRP step, steps to swim platform, and flybridge
- Transom stainless steel safety grabrails
- Aft control wing stations port and starboard with ZF engine controls, JMS system, thruster controls

Side Decks, Portuguese Bridge, & Flybridge

- Covered walkaround recessed sidedecks with self-draining non-skid decks forward of teak decking
- Aircraft style doors for main deck access port and starboard
- Stainless steel LED courtesy lighting fixtures
- Overhead LED lighting
- Fuel fills midship on both sides of the house for safe fueling. Has vents and compartment for absorbing pads

- Fresh water fill portside at step forward of teak decking
- Waste tank deck fitting forward of built-in port bow settee with a water flush connection
- Engine room air intakes on the inside of the side decks
- Marincos shore power inlets: starboard side forward of dining area - (2) 240/120V/50A, TV / Phone connections
- 316L Oval SS handrails
- Over-sized stainless-steel hawseholes with tie-down cleats
- Storage below forward windows
- Storage under Portuguese bridge seats
- Double opening hatch with latch walk-through access to foredeck
- Built-in foredeck seating with custom cushions; Custom cushions set atop anchor locker storage hatches
- Locking deck hatch for VIP stateroom
- Anchor windlass: MUIR hydraulic dual anchor with deck foot pedal controls
- 60kg Bruce Claw Type & 80kg Plow polished stainless steel anchors with 250' of chain each
- Custom anchor bridle
- Anchor locker custom molded storage bins
- Raw & freshwater foredeck wash-down systems
- Custom branded deck drains at windlass and aft sides of foredeck; oversized molded in overflow drains
- Bow cleats; 12" stainless steel deck mounted inside custom 3-chambered hawseholes with rollers
- 316L oval stainless steel handrails with welded stainless steel midrail at bow

Salon

- Samsung 43" SMART LED HDTV (NEW 2/20)
- FUSION stereo with 4-ceiling mounted speakers & Subwoofer
- (4) Zone Direct TV receivers (subscription service)
- Custom Makore Cherry cabinetry with gloss finish
- Custom fabric wall panels & headliner
- Cabinet for entertainment system starboard side
- Carpet with underlayment
- Curtain box with privacy curtain for salon door

- Custom upholstered ottoman coffee table
- Custom Makore Cherry end table
- Frameless windows
- Custom shades by Poseidon Interiors
- LED overhead and indirect lighting
- (4) Custom wall sconces
- Custom LED light fixtures & matching cabinet pulls
- (2) Custom made and upholstered chairs-starboard side
- Custom upholstered chair aft
- Custom décor pillows
- Custom upholstered L-shaped settee with built-in storage-port side
- Custom made & upholstered ottoman
- Salon overhead decorative ceiling treatment; Makore Cherry and burl with custom fabric center
- Polished stainless steel sliding entry door
- 110 VAC outlets w/ USB Ports
- (2) Zone Dometic chilled water air conditioning system with thermostats
- Smoke and CO Alarm

Galley

- Open design - offering unobstructed open view to the aft deck settee
- Custom Makore Cherry cabinetry with gloss finish
- Custom headliner
- Quartzite working countertop and backsplash
- Franke large undercounter stainless steel sink; single lever faucet and spray nozzle
- Forward-facing upper counter; (2) custom Makore Cherry wood bar stools with custom upholstered seats
- Custom porcelain floor with Makore Cherry border
- GE Profile stainless steel trash compacter
- (4) Sub-Zero refrigerator drawers; (2) Sub-Zero freezer drawers
- GE electric smooth cooktop with 4 burners

- Electric exhaust hood
- GE Profile stainless steel oven
- GE Profile microwave
- GE Profile stainless steel dishwasher
- Breville toaster oven
- Keurig Hot Brewer
- Insinkerator garbage disposal
- Galley drawers & storage cabinets
- (5) GFCI 110 VAC outlets
- Curtain box with electric shades for windshield
- Custom LED light fixtures & matching cabinet pulls
- Overhead variable intensity LED lights
- FUSION Zone with (2) Speakers
- Dometic chilled water air conditioning system with reverse cycle heat

Dining Area

- Aircraft style pantograph side deck access doors port and starboard
- Custom table with (8) dining chairs-port side; Custom bound edge carpet under chairs
- Custom Makore Cherry cabinetry with gloss finish
- Custom Makore Cherry and burl ceiling feature; mirrored with dimmable lighting
- Makore Cherry and Holly sole with gloss finish
- Art Niche with storage cabinets below
- Frameless windows
- Samsung 32" LED TV
- Custom Quartzite backlit countertop with storage below
- Interior stairway starboard side with safety railing leading to the skylounge; Gate hatch at top of step
- Custom chrome LED light fixtures & matching cabinet pulls
- 110 VAC outlets
- FUSION Zone with (2) Speakers

- Dometic chilled water air conditioning system with reverse cycle heat
- Smoke and CO Alarm

Bar Area

- Wet bar with Quartzite countertops and Makore Cherry sole with gloss finish
- Custom backlit abstract feature at stairs to skylounge
- Service Area with sink and faucet
- U-line ice maker
- Miele espresso machine
- Norcold refrigerator
- U-Line wine captain
- Custom fit and illuminated bottle storage wall
- Custom Makore Cherry cabinetry and storage drawers with gloss finish
- Spot Zero Water with remineralizer (NEW 2/22)

Foyer

- Custom back lit painted ceiling feature
- Custom marble compass rose inlay landing
- Custom Makore Cherry cabinetry and paneling with gloss finish
- LED courtesy lights
- Curved stairway with carpeted steps and custom Makore Cherry handrail
- GE washer & separate dryer
- Utility storage cabinet
- Custom LED light fixtures & matching cabinet pulls
- Custom Makore Cherry and Holly flooring with gloss finish
- Niche for framed artwork, clock or mirror
- Mirrored wall with burl art shelf

Owner's Stateroom

- Full Beam owners stateroom with ensuite head and walk-in closet behind the king size berth
- (3) Cedar lined hanging lockers & a walk-in closet with storage and opening portlight

- Samsung 32" LED TV
- Dometic chilled water air conditioning system (2 Zones) with reverse cycle heat
- King size bed with storage drawers underneath
- Custom Makore Cherry paneling, doors & cabinetry with gloss finish and custom burl countertops
- Custom soft goods, bedding and mattress
- Custom fabric wall panels & headliner
- Custom upholstered and mirrored headboard
- Custom chrome LED light fixtures, matching cabinet pulls & door lock sets
- Custom polished stainless steel dual portlight design w/ screens (Opening top portlight)
- Dimmer control for LED lighting
- Custom Wall sconces
- Reading lights
- Custom shades w/black out lining
- Starboard side bureau with storage
- Custom glass front display cabinets
- Indirect LED lighting
- Port side makeup vanity
- FUSION stereo with (4) Polk audio speakers (NEW 1/21)
- Carpet with underlayment
- 110v outlets
- Garmin GMI 10 display
- Smoke and CO alarm (NEW 7/20)

Owner's Ensuite Head

- Custom Makore Cherry storage cabinetry with gloss finish
- Custom medicine cabinets
- Undercounter sink & Grohe faucet
- Custom overhead mirrored ceiling treatment with accent lighting
- Custom beveled mirror above backsplash

- Custom chrome LED light fixtures & matching cabinet pulls
- Marble countertop & Marble floor
- Grohe 6-jet shower
- Large FRP shower stall lined with marble
- Opening polished stainless steel portlight with screen
- Shower exhaust fan
- Tecma toilet Bathroom hardware
- 110v GFCI outlets

VIP Stateroom

- Island berth with storage underneath
- Private access to Guest Head
- Samsung 27" LED TV
- Custom Makore Cherry paneling, doors & cabinetry with gloss finish
- Custom soft goods, bedding and mattress
- Custom fabric wall panels & headliner
- Custom carpeted floor
- Cedar lined hanging locker
- Drawer storage (2) built into the base of the island bed
- Headboard reading lights
- LED courtesy lights
- LED overhead lighting with dimmer control
- Custom chrome LED light fixtures & matching cabinet pulls
- Opening stainless steel portlights with screens and custom shades
- Opening foredeck hatch with screen & blackout cover
- BOSS Audio System (DVD/MP3/CD AM/FM) stereo with (2) Polk audio speakers
- Hullside storage cabinets
- Dometic chilled water air conditioning system with reverse cycle heat
- 110v outlets

- Smoke and CO alarm (NEW 7/20)

Port Guest Stateroom

- Matching single berths with nightstand
- Custom soft goods, bedding and mattresses
- Samsung 18" LED TV
- Carpeted flooring
- Cedar-lined hanging locker
- Custom wall mounted swing lamps
- LED overhead lighting with dimmer control
- Custom reading lights
- Opening polished stainless steel portlight with screen
- Custom Makore Cherry paneling, doors, drawers & cabinetry with gloss finish
- BOSS Audio System (DVD/MP3/CD AM/FM) stereo with (2) Polk audio speakers
- Dometic chilled water air conditioning system with reverse cycle heat
- Custom fabric wall panels and headliner
- 110 VAC outlets
- Smoke and CO alarm (NEW 7/20)

Guest Head

- Vanity & undercounter sink with Grohe faucet
- Marble countertop; Marble floor
- Grohe faucet for shower
- FRP molded Shower Stall with bench seat
- LED overhead lighting
- Mirrors with ample storage behind
- Custom LED light fixtures & matching cabinet pulls
- (2) Opening polished stainless steel portlights with screens
- Custom overhead mirrored ceiling treatment with accent lighting
- Shower exhaust fan

- Tecma toilet
- 110V GFCI Dual outlet

Crew Quarter's & Lazarette

- Aircraft style pantograph transom door for access from swim platform
- Access via stairs from salon starboard aft corner
- Over/under bunks (double bed on bottom)
- Custom Makore Cherry wood desk
- Custom Makore Cherry paneling and cabinetry with gloss finish
- Makore Cherry and Holly sole with gloss finish
- Custom fabric wall panels and headliner
- Custom bedding & mattresses
- Storage drawers
- Opening polished stainless steel portlight with screen
- LED overhead lighting
- Custom chrome LED light fixtures, matching cabinet pulls and door locksets
- Dometic chilled water air conditioning system with reverse cycle heat
- Samsung 18" LED TV
- BOSS Audio System (DVD/MP3/CD AM/FM) stereo with (2) Polk audio speakers
- Garmin GMI 10 display
- Cedar-lined hanging locker
- 110V outlets
- Smoke and CO alarm (NEW 7/20)
- Head and vanity with sink; separate shower stall
- Corian solid surface counter with sink, refrigerator, microwave, and cabinet storage
- Abundance of bulk storage
- (2) Glendenning CM-7 250/125V/50A cable master systems with shore power cords

Engine Room

- Stand-up headroom in the engine room

- Twin Caterpillar C-18 Acert 1,136 HP diesel main engines – 2640 Hours (4/1/2024)
- ZF Electronic engine controls w/joystick - 5 stations
- ZF transmissions
- Hydraulic PTO's on each engine
- 2031 gallons fuel capacity
- SPOTZERO ZXII Combination Water Maker (1800GPD) and Water Filtration System (NEW 2/22)
- Groco bronze seacocks and sea strainers on engine raw water intakes
- Color coded copper water lines
- Color coded hydraulic steering lines
- Parker fuel lines
- Fuel sight gauges
- Reverso Fuel Polishing System
- Reverso oil changing system- Engines and generators
- Seafire engine automatic shutdown system
- Engine room 24VDC LED lights (UPGRADED 11/23)
- Engine room bulkhead insulated with extra sound insulation
- Engine room emergency bilge pumping system - manifold system utilizes engine raw water pumps
- Engine room fans 24 volt x 4
- Engine room fire suppression - Seafire system
- Fiberglass exhaust mufflers
- Fuel vent filters - Racor marine filters
- High water bilge alarm
- 110 VAC pressured fresh water pump
- Racor Dual 751000MA fuel filters for each engine
- Racor 500MA fuel filters for the generators
- 24VDC fresh water pump
- Stainless steel rudders and rudder posts
- Polished stainless steel safety grab rails
- Underwater exhaust system with bypass

- Engine room cameras (1 x facing aft; 1 x facing forward, 1 x Blink Camera)
- White faired and painted bilge
- Dometic chilled water air conditioning system with reverse cycle heat (REPLACED One Chiller in 2019 and 2022)
- Chiller Display for HVAC system control and function (NEW 2/21)
- 2 - Chilled water pumps (one is spare)
- 2 - Condenser water pumps (one is spare)
- Smoke and CO alarm (NEW 7/20)

Electrical Systems

- Kohler 28kW 240/120V/60Hz generator with soundshield - 1685 Hours (4/1/2024)
- Kohler 15kW 240/120V/60Hz generator with soundshield - 1,648 Hours as of (4/1/2024)
- AC breaker/distribution panel with back lighting
- DC breaker/distribution panels with back lighting
- MasterVolt Chargemaster 24/60-3 battery charger - Engine/Generator start bank (NEW 7/20)
- House Battery Bank 12 Lifeline AGM 300AH (UPGRADED/NEW Fall 2020)
- Engine/Generator Start Batteries 4 Lifeline AGM GPL-8DL with box (2 per engine/generator) for engine start bank (NEW 7/20)
- (4) automatic bilge pump and (1) manual bilge pump
- Mastervolt Combimaster 24v 4500w (120v) inverter/charger with remote panel (NEW 5/23)
- 110 VAC outlets throughout (Some with USB)
- (2) Glendenning CM-7 250/125V/50A cable master systems with shore power cords
- Aft high bilge water level alarm with warning panel
- Battery selection switches for the House-Engine-Generator-Inverter battery banks w/emergency switch
- Bonded electrical system
- Color coded AC & DC wiring system
- Dimmer switches for aft deck, galley, dining, skylounge, salon, owner's, VIP and guest staterooms
- 110v GFCI outlets
- LED overhead, courtesy & task lighting throughout
- LED Navigation lights
- Shore power protection system - galvanic isolator

- Shore power selection switch
- (2) Charles Isoboost Transformers (One was UPGRADED with electronic controls, 2/21)

General Equipment & Options

- 316L Grade SS oval handrails on the main and flybridge decks
- 316L Grade SS for mooring cleats, chocks & anchor roller
- Aircraft pantograph style doors by dining room/galley, skylounge and crew quarters
- GE Washer and Dryer - located in the foyer area
- Canvas covers for, foredeck cushions, aft deck settee & table, custom ensign mast and tender
- Sun/Wind Screen for full enclosure of the aft deck
- Master manual with drawings
- Dockside water pressure connection
- Frameless windows
- Fresh water deck wash downs forward, aft and flybridge
- Raw water wash downs at forward anchor locker and aft
- Search light with remote control station at skylounge helm
- Ship's lighting & bilge pump systems indicator panel located in the skylounge
- Yacht Controller handheld wireless vessel control system
- Stabilizers: WESMAR Digital system with 12' Fins
- WESMAR 33hp hydraulic bow & stern thrusters (REBUILT 1/24)
- Stainless steel rudders and rudder posts
- Polished stainless steel portlights with screens
- Swim platform with removable guard rails
- Tecma toilets
- Underwater lights Qty 4, Lumishore THX804 (NEW 2/22)
- Spot Zero water maker and filtration system
- NuTone central vacuum system with outlets on each deck
- 450 gallons water capacity
- 150 gallon holding tank capacity

- (2) 20 gallon hot water tanks (NEW Aug 2021)

Tender

- 13' ZAR ZR 3; 7 person with 70 HP Yamaha outboard engine
- Hand laid fiberglass construction, all composite
- Garmin GPSmap xs 7" screen with transducer (NEW 1/21)
- Front anchor locker with side open door
- (2) Bow storage compartments
- Side console seat with storage compartment
- Wide rear storage compartment
- Console with internal storage compartment, manual tilting for access to service console system components
- Steering system and stainless-steel sport drive wheel
- Heavy rubber bumper
- Stainless steel handles for passenger safety
- (4) folding stainless steel cleats
- Stainless steel eyebolts and Lifting bridle
- Drain plug
- Pair of paddles
- Boarding Ladder
- 10-gallon Integrated fuel tank with gauge
- Digital tachometer
