2022 Jeanneau NC695 Sport S2

(Badged Merry Fisher 695 Sport S2 in Europe)

Mercury 150 HP 4-Stroke Motor

Note: *There are two versions of the Jeanneau NC695 Sport S2. In Europe, the boat is marketed as the Merry Fisher 695 Sport. In the USA, the boat is marketed as the Jeanneau NC695 Sport S2. Both boats are the same. Originally purchased in Europe, the multinational owner shipped to the USA. Both boat and engine have USA warranty.*

The pilot house design of the Jeanneau NC695 Sport S2 (*Merry Fisher in Europe*) allows for comfortable boating rain or shine. Thanks to her compact size the NC695 Sport S2 is easily trailered (*trailer not included*).

The Mercury 150 Hp 4-stroke motor provides plenty of "get up and go" and the clever mixed-use design offers abundant storage and many opportunities for fun on the water.

Once aboard the NC695 Sport S2, her features become obvious: sliding patio doors, sliding door at the helm, a generous and modular cockpit for activities, such as fishing, dining or just relaxing (*large underfloor storage area*). The cockpit opens onto a dedicated, swim platform with ladder to facilitate water access. The NC695 Sport S2's deep recessed starboard side-deck allows for easy and safe movement about the deck.

All and all, Jeanneau's NC695 Sport S2 has much to offer. Located at our Flagship Fort Lauderdale store, this NC695 Sport S2 is ready to show and ready to go.
