CLEAN AND READY TO GO!

### 2019 BAYLINER VR4 OB

#### A NIMBLE SIZE THAT DELIVERS SPORTY PERFORMANCE AND SPACIOUS COMFORT

The VR Series of highly evolved bowriders, the VR4 is easy to tow, launch and store—and really fun to use. The smallest VR Series model delivers plenty of interior space thanks to our BeamForward™ design, which carries the full beam further forward for more comfort and capacity than traditional pointed bows. Our AftAdvantage™ design increases the rear seating area by shifting it to the aft-most point of the running surface, allowing the swim platform to extend beyond that. That means more room for comforts like movable backrests for versatile seating configurations.

## Features include:

- BeamForward™ design with high gunnels creates more passenger space, under-seat storage and safety
- Roomy cockpit thanks to the exclusive AftAdvantage™ design
- Contoured backrests for comfortable lounging on the swim platform
- Available water sports or fishing options to suit your family's needs
