NEXT CHAPTER provides six luxurious staterooms for up to 13 guests. Her main deck, full beam, split level Master ensuite with panoramic views, observation area and private study is one of the many highlights of NEXT CHAPTER. Her VIP ensuite is located on the bridge deck followed by two queen staterooms, two twin staterooms, and one pullman bed as required on the lower deck. All staterooms are equipped with iPad and Plex television, offering Satellite TV.

Entering the stunning master ensuite, you walk through the private study then to the master stateroom passing the King bed that faces the TV in a central cabinet. The stairs leading to the observation lounge has white marble columns with braided rope paneling. His and her ensuites have jet tubs and glass showers.

The VIP ensuite is located on the bridge deck near the sky lounge. The ensuite is shared with the sky lounge and has breathtaking shower views. Décor in the accommodation is just as palatial as the social areas, with all new bed linen, beautiful joinery, high ceilings and ample space for storage.

The sky lounge area is used as the family television/game area. With two long couches to port in white plus four bucket chairs to starboard around an ottoman, it's a comfortable place to relax in the evening. A Scrabble table with upholstered chairs is to starboard. The room has light brown mahogany paneling, white ceiling indentation with indirect lighting. The sky lounge opens onto an enormous bridge aft deck with a long varnished dining table that can seat up to 12 guests. Two L-shaped settees are in blue.

Headed to starboard side up the teak stairs to the sundeck, you will find a state-of-the-art air-conditioned gym, a comfortable six person jacuzzi and multiple lounge areas to make the most of your time relaxing in the sun.
