Summary/Description

The Hunter 430 is built to perform with all the style and comfort you and your family deserve. Warren Luhrs and the Hunter Design Team created a boat that is fast, easy to sail, stable and comfortable.

The Hunter 430 is built to perform with all the style and comfort you and your family deserve. Warren Luhrs and the Hunter Design Team created a boat that is fast, easy to sail, stable and comfortable. Thoughtful touches aboard, like sail design that incorporates a fractional rig, swept back spreaders and a full roach main. This eliminates the need for a backstay and improves sail efficiency and ease of handling. The exterior design of the 430 include integrated main sheet arch with instrument pod, two-tone non-skid deck, walk-thru transom, and a huge cockpit with wheel steering. A slippery but stable hull design incorporates a bulb wing keel and a spade rudder. Below deck are the amenities that make Hunter famous. A huge salon with convertible dinette, gourmet galley and twin staterooms, each with enclosed head and shower. The Hunter 430 gives you all the flexibility you need in a cruising boat - whether you go for a weekend or the long haul.

Features and Upgrades:

Two Staterooms, two Showers/Heads

AC unit #1 (Fwd cabin) Cruisair 16,000 BTU, 2020; AC unit #2 Dometic DTU8 8,000 BTU (aft cabin) 2018
