Summary/Description

The Beneteau America Antares 11 is just over 36' in length, is loaded with interior and exterior features, and has a maximum rating of twin 300 HP outboards.

Customizable Boat: Palm Beach

The Beneteau America Antares 11 is just over 36' in length, is loaded with interior and exterior features, and has a maximum rating of twin 300 HP outboards. The Antares 11 is spacious in design and offers a great platform for weekend overnight trips and family cruising.

The well-equipped helm includes a large dash area to flush mount electronics, a steering compass, full instrumentation, a 12V power outlet and USB socket, hydraulic steering, cup holders, and an adjustable pilot seat.

The self-bailing cockpit includes a sliding aft bench seat that converts to a sun deck, a side bench seat with storage, a cockpit locker, starboard swim access with a swim ladder, a cockpit shower, a table, and a security door. Enter the plush salon from the cockpit through the sliding door to find an L-shaped dinette with a folding table, a copilot seat with a reversible backrest, cup holders, and a copilot glove box. Aft of the steering station is a galley with a stainless sink and cold water tap, a two-hob cooker, a refrigerator, a garbage bin, and cup holders, all protected by a folding lid.

The forward cabin includes a double berth, reading and overhead lights, and storage space. The guest cabin sleeps three persons in one double and one single berth. It also includes storage space, overhead, and reading lights.

Come test drive a Beneteau Powerboat at either of our Florida east coast stores, located in:

Ft. Lauderdale, Palm Beach and Stuart.
