Overview

The Flyer 8 SUNdeck will exceed your day boat expectations by combining comfort, open space, and flexibility. Her highly-optimized design makes her the ideal boat for a weekend getaway! A generously-sized cabin lies beneath a large forward sunpad.

The Flyer 8 SUNdeck boasts modern, attractive lines; which are accentuated by black railings. Developed on the latest

generation of outboard hulls equipped with Air Step 2, the boat gets on plane quickly and offers outstanding cruising comfort. The aft bench seat easily converts to a sunpad. There are also lots of ergonomic storage spaces spread throughout the boat.

The Flyer 8 SUNdeck is astonishingly comfortable inside. The double-berth cabin has incredible headroom for a boat this size. The boat also has a separate head and a small galley.

Certified to carry 10 people, the quality of the Flyer 8 SUNdeck's fittings and its finishes make a big impression on all onboard. A perfect platform for a wide variety of activities, it would be hard not to spend a few more days enjoying the pleasures of the sea.
