Our 2nd very popular Gran Turismo 32 is in stock.

Her modern-looking sides reflect the light elegantly. There is great maneuverability between the various spaces on the upper deck, which are well-arranged, and include all the features of a cleverly designed boat. The Gran Turismo 32 has great head clearance and will appeal to anyone who loves an open boat.

The Gran Turismo 32 has **two double berths** and a real shower space with an independent head compartment, making nights on board comfortable and relaxing. Bathed in soft light from the long hull windows, the main central cabin and the mid cabin can both make use of the spacious storage column at the bottom of the companionway. The space is enhanced by elegant, walnut-colored materials. The Gran Turismo 32 offers a choice between **out-board** and **in-board** versions. With engines of up to **700 HP**, the Gran Turismo 32 promises peak speeds of 35 knots. With a very large windshield, its opening hard top provides optimal vision underway. At the helm, two bolster seats behind the console are supplemented to port by a double bench seat. This means that four people can share the pleasures of facing the sea. In the cockpit, the full beam layout of the Gran Turismo 32 allows for the best use of space. The back rest of the lounge seat and the aft bench tip back to create a large sunbathing area. To the bow, a sunbed for 3 people is safely and easily accessible by the semi-walkaround.
