Summary/Description

Used Sail Catamaran for sale

God's Grace is one of those highly sought-after catamarans that has been immaculately taken care of in all aspects with great detail. Her present owner has spared no expense in renewing this yacht to a level that would equal brand new—in fact far exceeding a brand new factory Voyage 500 in its vast array of safety, electronics, navigation, and comfort as listed in her equipment narrative. Often yachts are said to be ready for someone to move on and sail wherever they want to go. Blue Water ready. God's Grace is one of those yachts and “the best of the best”.
