## Summary/Description

For Sale

This 2015 47' Sea Ray 470 Sundancer "Sea-F-O" is a perfect example of a clean, low-hour, well-maintained vessel that is ready for immediate sale. The boat has been freshwater kept under cover since new! The 470 Sundancer generally provides an indoor/outdoor entertainment platform that has three separate venues for hanging out on the main deck. By creating a glass bulkhead with a sliding door, the boat has been transformed into an all-weather vessel with a cockpit AC/Heating system. This makes the main cabin very comfortable in any sea condition.
