"Soul Candy" is an embodiment of perfection in every aspect. It offers an unparalleled riding experience, combining exceptional speed and fuel efficiency, along with stunning aesthetics. Whether you are an avid fisherman or prefer picnic boat cruising, she wears many hats. One of the key strengths of this vessel lies in its meticulously designed layout, which ensures maximum functionality and convenience. Additionally, the fit and finish of "Soul Candy" are truly exceptional, reflecting the craftsmanship and attention to detail that went into its creation. I highly recommend that you take the time to see "Soul Candy" for yourself. It is an absolute must-see for any serious buyer in this class, and I am confident that it will exceed your expectations.

Walk Through

Upon entering, you will immediately notice the high quality custom construction and finishes. The salon/bridge offers an extremely functional layout. To the starboard side, you will find the galley area, which boasts great counter space, plenty of Kitchen Aid drawer style refrigeration, a dishwasher, and a Wolf Convection/Microwave combo. Additionally, this area features a custom Stainless sink and retractable faucet, along with a pop-up Flat screen TV and pop-up bar.

On the port side, you will find the custom L-Shaped Sofa, which offers great storage below and is complemented by a beautiful custom Teak Hi/Lo cocktail table. The salon area is well organized and provides tremendous storage. It benefits from an incredible custom Teak floor throughout, along with satin white interior walls for easy clean up. The Satin Teak trim adds a touch of class and elegance to the space.

Above the Salon Sofa in the ceiling, you will find a custom drop-down Rod storage locker, which offers ample storage space. Moving forward, you will come across the Helm area, which is clean and neatly displayed. The seating arrangement includes one Release helm chair and one Release custom helm chair built for two. All the state-of-the-art Electronics are well positioned and easily accessible. One of the key features of this area is the critical vantage point of 360° visibility from the helm station.

Moving down the stairs to starboard, in the companionway area you will find the Custom Sofa, which is perfect for lounging and can also be used as a berth if needed. Continuing down the companionway to starboard, you will come across the full-size stacked washer & dryer. Across to port, you will find the Master stateroom, which is surrounded by beautiful satin teak woodwork, creating a very relaxing atmosphere. The Master stateroom offers a full Walkaround Queen berth, fantastic hanging closets, and plenty of drawer storage. This area is also equipped with a huge Flat screen TV with a custom Teak frame.

The Master full Head & Shower is well-appointed, featuring a very large shower with a bench and great storage with beautiful Teak cabinetry.

Moving forward to starboard, you will find the Guest full head & shower. This area boasts beautiful teak cabinetry,

offering not only a visually appealing aesthetic but also ample storage space. The roomy feel of the shower adds to the overall comfort and convenience.

Continuing forward to the bow area, you will come across the guest stateroom. Here, you will find oversized criss/cross bunks that provide a unique and inviting sleeping arrangement. The stateroom is designed to maximize storage, ensuring that guests have plenty of space for their belongings. Additionally, there is some additional tackle storage available, making it convenient for fishing enthusiasts.

Overall, the interior of Soul Candy exudes a sense of elegance and practicality. The attention to detail in the design and the thoughtful layout contribute to a truly remarkable experience on board. Whether you are relaxing in the spacious guest head & shower or enjoying a comfortable night's sleep in the guest stateroom, you can be assured of a high-quality and enjoyable stay.
