Generator 1

Caterpillar
25KW

Generator 2

Caterpillar
25KW

Summary/Description

This 63' Custom Carolina sportfish is in the process of construction. This is a cold molded vessel constructed with high quality materials.

This 63' Custom Carolina sportfish is in the process of construction. This is a cold molded vessel constructed with high quality materials, with Okoume plywood and fiberglass used throughout. She's powered with twin Caterpillar C-18 1150hp engines, ZF marine transmissions along with two Caterpillar generators with (2) Mitsubishi gyro stabilizers. The vessel is currently laid out with a two stateroom, two head configuration with a large tackle room. This tackle room could also be converted into a third stateroom if desired. She is laid out with a generous and well thought out galley and salon area. This is a great opportunity to purchase a new build Custom Carolina with minimal wait time.

Engine Room

The engine room is large and spacious with the room for larger engines, along with the two Caterpillar generators and two Mitsubishi gyros.

Flybridge

The flybridge is a centerline helm with a two helm chair configuration. Forward of the helm is a large seating area with storage beneath.

Cockpit

The large mezzanine cockpit has refrigerated drink boxes with freezers and stainless steel lining, a transom fish box, and ample storage throughout.

Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
