

82' (24.99m) 2005 Sea Force IX Enclosed Flybridge
Miami Beach Florida United States

OVERVIEW

Manufacturer:	Sea Force IX		
Engines:	2 MTU	Hull Material:	Fiberglass
Engine Model:	16V2000	Cruise Speed:	25 Knots
Engine HP:	2000	Max Speed:	28 Knots
Beam:	22' 11"	Cabins/Heads:	4 / 4
Max Draft:	5' 5"	Fuel Type:	Diesel
Water:	350 G (1324.89 L)	Fuel:	3800 G (14384.56 L)

\$1,995,000

Data Sheet

Category: Sport Fishing
Condition: Used
Model Year: 2005
Refit Year: 2022
Beam: 22'11" (6.99m)
Max Draft: 5' 5" (1.65m)
LOA: 82' (24.99m)
Cabins: 4
Queen Berths: 1
King Berths: 2
Heads: 4

Maximum Speed: 28 Knots
Cruise Speed: 25 Knots
Fuel Type: Diesel
Hull Material: Fiberglass
Trade In: Yes

Displacement: 112000 Fuel Tank: 3800
gal (14384.56 liters)
Fresh Water: 350 gal (1324.89 liters)
Holding Tank: 80 gal (302.83 liters)
HIN/IMO: FIXS1502A505

Engines/Generators

Engine 1

MTU
16V2000
Inboard
2000HP
Fuel: Diesel
Location: Port

Engine 2

MTU
16V2000
Inboard
2000HP
Fuel: Diesel
Location: Starboard

Summary/Description

Will Trade. Complete 2022 Refit with Brand New Garmin Electronics, Complete New Interior, 2 Water Makers, 2 Eskimo Ice Machines, Brand New Complete Paint Job, 2 Life Rafts, High Ceilings Through for Tall People.

Will Trade. Complete 2022 Refit with Brand New Garmin Electronics, Complete New Interior, 2 Water Makers, 2 Eskimo Ice Machines, Brand New Complete Paint Job, 2 Life Rafts, High Ceilings Through for Tall People.

"Reel Deal" is a breathtaking vessel, custom-built elegance and incredible for any angler who enjoys the sport in the height of luxury. With fantastic finishes inside and out, exploring the waters makes it a breeze with its MTU 16v2000 Twin engine, a spacious full-beam salon, country galley with state-of-the-art amenities, cozy and spacious cabins, and an enclosed flybridge with mezzanine for the comfort of family and guests. "Reel Deal" is an incredible yacht ready for your next adventure!

Additional Info

Cockpit

- Teak cockpit sole
- Teak stair to port and starboard to the mezzanine deck
- Two large bench seats with freezers and cushions
- Raised Mezzanine with overhead sun protection
- (9) rod holders on the aft mezzanine rail
- Transom tuna door
- (2) Transom bait wells - one rigged with tuna tubes, transom fish box
- (2) Indeck large insulated fish boxes with macerator pumps
- (4) Rod holders in cockpit gunwales
- (1) 1200 GPD water makers
- 24/12 volt electric deep drop reel connections
- (6) 175 watt underwater lights
- Salt and fresh water wash downs
- Tackle storage
- Large storage lockers tot the back of cockpit and under mezzanine
- Cockpit side lockers
- Custom dive tank storage located in cockpit with additional storage
- Removable dive ladder
- Hot and cold shower
- Stereo speakers

Salon

- As you enter the Salon you are greeted with the open space layout. Teak wood, leather, granite tops, chrome and brass fixtures.
- Large leather sofa with storage below
- Three tier granite cocktail table

- Large windows with blinds and window treatment
- Overhead lighting soffit
- Custom wet bar with granite countertops with ice maker and storage.
- Entertainment center
- 42" TV with DLA and DSS connections
- Surround sound stereo system with an ipod connection and a DVD player
- Custom staircase leading to enclosed Flybridge

Galley

- Located forward of Salon
- 4 Bar stools
- Granite top island work area with under counter custom stainless steel refrigerators and freezers with (6) drawers each
- Large Oven
- Microwave / Convection oven
- Four burner stove top with exhaust vent
- Dishwasher
- Large ice maker
- Double Stainless steel sink
- Storage throughout
- Custom two tone backsplash
- Teak wood cabinets and drawers
- Amtico teak flooring
- Dinette seats 6 persons

Enclosed Flybridge

- 360 Degree panoramic view
- Finished in teak wood paneling
- Carpeting
- Custom light soffits
- Granite bar tops
- Storage
- L-shaped settee and granite table
- 32" Sharp Aquos LCD TV with DSS and DLA connections
- DVD player
- Stereo with CD player
- ipod connection
- (2) MTU engine display modules
- MTU station activation pad
- MTU engine controls
- MTU emergency back-engine control pad
- Start/stop switches
- Steering wheel
- Fuel monitor
- Detailed monitoring and alarm panel

- Bridge AC/DC electrical panels
- Navigation lights
- Air horn
- Magnetic compass
- Bow thruster control
- Trim tabs control
- Windshield wiper controls
- Custom built-in rod storage forward and under the helm
- Captain Pedestal helm chair
- Companion riding helm seats to port and starboard

Forward Guest Stateroom

- Located forward in the bow
- Large queen island berth with additional storage below
- Padded headboard
- Padded hull sides
- Wraparound night table shelf with granite top
- Dresser with drawers
- Hanging locker
- Custom light soffit
- Entertainment center
- 20" TV with DSS and DLA connections
- DVD player
- CD player
- ipod connection
- Stereo tuner-amp with speakers

Forward Guest Head

- Ensuite to Forward Guest Stateroom
- Granite countertop
- Undermount sink
- Designer fixtures
- Teak wood vanity with drawers and storage
- Mirrored upper vanity cabinet
- Shower
- Toilet
- Exhaust blower
- Marble flooring

Master Stateroom

- Located amidship
- King size berth with drawers and lift storage below
- Custom headboard

- Custom make-up vanity
- Two nightstand tables
- Dresser with drawer storage
- Two hanging lockers
- Custom overhead light soffit
- Air conditioner diffuser
- Entertainment center
- 32" flat TV with DSS and DLA connections
- DVD player
- CD player
- ipod connection
- Stereo tuner-amp with speakers
- Teak wood
- Granite countertops

Master Head

- Granite countertop
- Undermount sink
- Designer fixtures
- Teak wood vanity with drawers and storage
- Mirrored upper vanity cabinet
- Oversized shower with seating bench
- Toilet
- Exhaust blower
- Marble flooring

Engine Room

- Twin MTU 16V2000
- 24 VDC starting and electrics
- Power steering pump, filter and heat exchanger factory mounted
- ZF Marine reduction transmission
- Anti-vibration mounts
- Twin 32KW 20/240 VAC marine diesel generators Northern Light with fresh water cooling system, double antivibration
- mounts, automatic low oil-high temp safety shutdown, two remote control and monitoring panels
- Polished Inconel water-jacketed main engine exhaust collector system
- Hydraulic 12" bow thruster with three control stations
- Silicone marine exhaust duty-rated hose with triple stainless steel clamps
- Axial fiberglass mufflers with vibration isolation mounts
- Fiberglass lift muffler for generator exhaust
- Dripless shaft seals
- Custom single-leg main strut with Throrodon shaft bearing
- Delta-T marine axial engine room blowers (12" diameter) with variable and reversible speed controls
- Custom stainless steel high aspect ratio rudder
- Hull mounted cast bronze bearing stuffing box assembly

- Stringer mounted aluminum rudder support structure with upper bearing
- Custom cast bronze tiller arm
- Stainless steel tie rod
- Power-assisted hydraulic steering system with twin rams and power pumps
- Five-zone bilge system with seven bilge pumps
- Engine intake diverter valves for emergency bilge pumping
- Fuel fills (2" diameter), dual vents, ball valves on pick-up tubes
- Gem stainless steel level senders on fuel, water and holding tanks
- (2) gray water tanks with submersible pump
- Reverse cycle, (132,000 BTU) chilled water A/C with three-staged compressors plumbed in an insulated closed circulation loop to independently controlled air handlers located throughout vessel
- Central vacuum
- (2) Diamond Seaglaze watertight engine room doors
- (1) 1200 GPD water makers
- Soundwond multi-point sound insulation system
- Headhunter Mach 5 primary fresh water pressure pump with split delivery system
- Filtered potable fresh water trunk line with accumulator tank
- Fresh water trunk line with accumulator tank
- Color coded potable water distribution lines
- Two stainless steel water heaters zoned for quick response
- Headhunter marine sanitation equipment throughout
- Marine sanitation hose throughout
- Diverter valve to holding tank or overboard for each toilet
- Holding tank with deck pump-out fitting and overboard macerator pump
- Dual Separ fuel filter for each main engine
- Separ fuel filter for each generator
- Fuel transfer system from any tank to any tank, with control panel
- Alfa-laval fuel polishing system serves as a back-up fuel transfer pump
- Electric fuel priming pump of reach engine and generator
- Fuel supply and transfer hoses "Aeroquip 234 rated" with brass fittings
- Hydraulic pump on each engine transmission with a common reservoir, filters and cooling heat exchanger
- Engineered hydraulic system for bot thruster and anchor windlass - all hoses are "Aeroquip" rated to the pressure for each application
- Sea Fire FM-200 fire suppression system for engine room protection - system is "rate of rise" activated, with manual pull cable back-up activation and shutdown circuits for engines, generators, blowers and air inlets
- Local automatic FM-200 fire suppression bottles for areas vital to the operation of the vessel and/or containing heat producing equipment
- Air-less compressor with storage tank
- Engine, gearbox and generator oil pump plumbed to an accessible quick disconnect fitting
- Portable oil change pump with quick
- Maxwell windlass hydraulic anchor

Electrical Equipment

- (2) 240 VAC 100 amp shore cords with Glendinning cable retractor
- (2) 25KVA isolation transformers
- Twin 32KW 120/240 VAC marine diesel generators with fresh water cooling system, double antivibration

- mounts, automatic low oil-high temp safety shut-down, two remote control and monitoring panels
- Custom made AC distribution panels
- (8) 8D Marine batteries connect to a four-bank 24 volt DC system
- Emergency power cross-connecting switches
- (2) Entry 40 amp battery charger
- Custom made DC distribution panels
- Stand-alone 12VDC system on the bridge with independent battery and charger for emergency communication and electronics
- Custom alarm system with display panels in the crew area and on the bridge - Monitors high water, smoke and high carbon monoxide with a visual and auditory alarm

Electronics and Navigational Equipment

- Furuno 96 mile radar with ARPA
- Furuno color sounder
- (3) 15" VEI flat screen monitors
- (2) Garmin 5212 chart plotters
- (1) Garmin chart plotter/GPS
- Furuno Tridata Depth-Speed-Water temp.
- Simrad H550 satellite compass
- Ritchie Magnetic compass
- Simrad AP50 autopilot
- Elbex closed circuit TV system
- ICOM VHF Radio IC-M802
- (2) ICOM VHF Radio IC-M602
- Seatel satellite phone system
- Panasonic phone-intercom system
- Seatel satellite TV with DSS-DLA
- (2) ACR spotlight touch pads
- Gateway computer with satellite internet
- Electronic MTU/DDEC controls (all stations)
- Trim tab controls

Crew Quarters

- Accessed via companionway or through engine room
- (3) Single berths with storage
- Hanging locker
- (3) TV's with Dss and DLA connections, ipod connection and stereo tuner with speakers
- Head with Corian countertop and sink, stall shower, vanity locker, mirrored upper vanity cabinet, and exhaust fan
- Stackable front loading washer and dryer

Aft Deck Flybridge

- Helm station with full MTU controls
- Bow thruster control
- Trim tab controls
- Hydraulic outrigger controls
- Teaser reels
- Electronics
- Bench seat with freezer storage and cushions
- Wash down outlet
- Hatch with ladder to mezzanine deck and aft handrail with rod holders

Tower

- Fiberglass buggy top
- Fiberglass platform
- Fiberglass control console
- Canvas control cover
- Padded seat and backrest
- GPS-Plotter
- (2) Depth sounder
- Video feed to Furuno Sounder
- A.P. Autopilot
- VHF radio
- CCTV system
- Stereo CD system with ipod connection
- Full engine controls with MTU/DDEC display boxes
- Bow thruster control
- Trim tab controls
