The **"F-4 Phantom"** is a unique vessel. A great entertaining and family platform able to cruise on long journeys or just a day hangout at the sandbar with all amenities needed. As you board the vessel on the aft deck, there are safety railings and comfortable seating.

There is a galley on the starboard side as you enter the main salon, where a wrap around settee pulls out to create a very comfortable berth. The helm to starboard has state of the art navigational equipment. A helm chair and also Co-Captains chair to port. The head compartment is located forward on the port side. This head includes a shower and almost 6 feet of total headroom.

To the starboard below is the sleeping cabin that also contains the main switchboard. Easy access is by steps down into it. Walking forward to the open deck are 2 swivel chairs and table on the Portside and Couch seating to starboard. Easy access to the engine compartment is by an electric accuated lift. Lift up window panels on the forward and aft sections and also electric windows port and starboard and a sunroof allow an open air boating atmosphere allowing the breeze to flow through. Again, a unique design that caters for friends and families.
