Year: 2023
Serial #: 3B233306
Location: Starboard

Summary/Description

2015 Bahama 41 Center Console

The "SEA GREEN" has recently come to market. Decked out with the standard features of a 41' Bahama, the vessel has been repowered in 2023 and has only 221 hours currently with GOLD 4 year Warranty on top of the standard 3 year factory.

Professionally detailed and kept to the highest standards. Must be seen and aggressively priced to be the next 41' Bahama sold. Call me today to discuss and make an appointment to inspect her.

Brokers Comments

This is the 2nd owner of "SEA GREEN". The majority of her life she has been kept under cover and it shows. She has been repowered by Triple 350 Verados.

LOW LOW hrs on her, absolutely puts her in fine shape to be the next 41' Bahama to sell at her aggressive price. Need to take this one seriously and call for a showing today before she flies off the shelf.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.

Disclaimer
