Summary/Description

Anjamar is an amazing 45 Xcelerator Boatworks custom flybridge. Uniquely designed with tremendous thought given to styling performance and function, Anjamar has all the qualities of a custom sportfish powered with the simplicity of outboards.

Anjamar is an amazing 45 Xcelerator Boatworks custom flybridge. Uniquely designed with tremendous thought given to styling performance and function, Anjamar has all the qualities of a custom sportfish powered with the simplicity of outboards. Xcelerator Boatworks are built to the highest of standards using modern technology right down to the carbon fiber bulkheads. Anjamar is SeaKeeper equipped and sleeps 4 comfortably. This 45 Custom Carolina build is ideal for cruising the Bahamas with her upper and lower helm stations and shallow 30" draft with engines tilted up. Anjamar must be seen to be appreciated. Call today to set up a showing.
