Summary/Description

For Sale

New Build! 2017 42' MAZU YACHTS 42, Fully Customized and Available To You In 12 Weeks!

Turkish boutique yacht designer and builder Mazu Yachts is proud to introduce the all-new Mazu 12m/38' super-yacht tender at Monaco Yacht Show 2016.

Mazu Yachts Hi-tech shipyard facilities are located in Yalova, one of the best strategic locations for yacht building in Turkey. The Shipyard has 4.000 sqm. of indoor and 1.200 sqm. of outdoor area which gives us all the tools to build perfect yachts. The production site features design offices overlooking the production site where technology, functionality and beauty becomes one.

Here you find one of the most unique, high quality build and well economic mechanically designed power yachts exclusively available to you through Victory Yacht Sales. These beautiful yachts can be completely customized at no additional cost, any color paint you desire, from metallic flake to flat matte. The Mazu Yachts 42 can also be perfectly matched up to your Super or Mega Yacht as an eye catching tender that really makes an impressive entrance and adds much more freedom.

The hull is cold molded with layers of vertical grain wood veneers over an open framework male building mold and for added strength Fiberglass, Kevlar or Carbon Fiber cloth is applied to one or both sides of the hull shell.

The cabin layout is designed to your style and preference. All cabin furniture is custom built inside the cabin and is bonded directly to the hull becoming one solid yacht (no screws about it).

These yachts take a total of 12 weeks to custom build and are guaranteed to surpass your expectations.

Right now Mazu Yachts are currently at an entry level price point, please take full advantage of this opportunity and be one of the first owners of the Mazu Yachts line here in the USA.
