### Engine 1

Yamaha  
300  
Outboard  
300HP  
223.71KW  
Fuel: Gas/Petrol  
Hours: 400  
Year: 2014  
Location: Port

### Engine 2

Yamaha  
300  
Outboard  
300HP  
223.71KW  
Fuel: Gas/Petrol  
Hours: 400  
Year: 2014  
Location: Starboard

## Summary/Description

### For Sale

Whether you're trolling with hooks in the water or motoring through the tough stuff in search of a trophy catch, Robalo's R300 center console flagship sparks an adrenaline rush unlike any other fishing boat. Unique style. Phenomenal overall performance. Dry ride. Best-in-class features. Featuring two oversized livewells, more than 245 gallons of insulated fish box capacity and a well-equipped bait prep center, the R300 is primed to tackle any fishing adventure. An abundance of rod holders ensure you're never more than an arm's length away from your equipment. The optional fiberglass T-top is the widest in its class, providing more sun protection than rivals. Robalo's 21-degree variable deadrise Hydro Lift bottom design can tame up to 600-horsepower so far away GPS coordinates are never far away.

## Manufacturer Provided Description

Whether you're trolling with hooks in the water or motoring through the tough stuff in search of a trophy catch, Robalo's R300 center console flagship sparks an adrenaline rush unlike any other fishing boat. Unique style. Phenomenal overall performance. Dry ride. Best-in-class features. Featuring two oversized livewells, more than 245 gallons of insulated fish box capacity and a well-equipped bait prep center, the R300 is primed to tackle any fishing adventure. Combine a Kevlar-reinforced hull with a 10-year limited hull warranty and you'll enjoy complete peace of mind every time you take to the water. An abundance of rod holders ensure you're never more than an arm's length away from your equipment. The optional fiberglass T-top is the widest in its class, providing more sun protection than rivals. Robalo's 21-degree variable deadrise Hydro Lift bottom design can tame up to 700-horsepower so faraway GPS coordinates are never far away.
