Summary/Description

Makaira is a hybrid vessel that is built for offshore fishing yet it has a shallow draft for near shore fun as well.

Twin 10 foot Poer-Poles

3 Bank Battery Charger

GPS Trolling Motor

Bow Table

Freshwater Washdown

Extra Front Rod Holders

Twin Garmin Screens

Makaira is an offshore hybrid. Built for offshore fishing with a shallow draft for those days when you want to stay nearshore. Makaira has a spacious cockpit, wrap around seating that quickly and easily transforms into a casting platform or u-shaped seating, includes lockable rod storage built into the gunwales, both port and starboard, that can accommodate up to ten 8' rods with reels. The entire aft jump-seat lifts for total access to the bilge compartment. So, where do you want to go today?
