Summary/Description

This Custom built Motoryacht was designed to entertain and cruise. She is a high-performance machine unlike any other. Originally built for a Professional Basketball player, her ceilings are over 8 feet throughout and make her feel like a much larger vessel.

This Custom built Motoryacht was designed to entertain and cruise. She is a high-performance machine unlike any other. Originally built for a Professional Basketball player, her ceilings are over 8 feet throughout and make her feel like a much larger vessel. She features over 1,800 square feet of living space (HVAC)! The interior volume, measured in displacement, is equal to that of a 138 Westport.

You have to see her in person to really grasp how nice this yacht is.

Current survey is available for serious buyer review.

Only 1,400 hours!

A massive refit in 2018 / 2019 updated all of her mechanical and jet systems, electronics, SONOS stereo and speakers, TV's, interior spaces, flooring, decks, and hull paint. Also, Hamilton Jets received all new hardware and Software including new Joysticks. She also received an upgraded bonding system.

Also, fresh out of the yard in April 2023 with a new bottom job (3 coats), Hamilton Jet drives were overhauled, all new batteries, new flybridge top, all new cushions, and many more upgrades.

She is ready to cruise wherever you want to take her.

She features triple Yanmar diesels matched to Hamilton jet drives and features an unheard of 2.5 foot draft. You can sip fuel and cruise with just the center motor and she turns into the most economical cruiser available. This vessel is perfect for cruising the ICW and Bahamas with no worries. No other vessel this size can do what she can.

She has 4 staterooms with ensuite heads and also a main deck day head. There is also a large storage area that could be configured into a crew's quarters in the bow. It is currently used for storage of fishing equipment, redundant parts, toys, etc.

She was built for hospitality and has hosted over 125 people easily.

There is a jacuzzi on the aft swim platform and with 2 full wet bars outside on the flybridge and back deck, She will be sure to entertain your guest in style.

Be sure to click the full specs tab for more information on this amazing vessel. A list of refit and upgraded items are there as well.
