Cabins: 3		
Sleeps: 6		
Single Berths: 2		
Double Berths: 1		
Queen Berths: 1		
Heads: 2		

## Engines/Generators

## Summary/Description

This US-spec 55 Sunseeker is in pristine condition, meticulously maintained with no expense spared. The dark blue hull gleams, and the cushions appear untouched. Stored under cover in low-salinity, upriver brackish water from the outset, she was later moved to New York in 2020. There, she was protected from the elements, spending winters out of the water. The motors and generator show very low usage, with only 600 hours, and have recently been fully serviced. Upgrades include brand-new air conditioning units, fresh upholstery, the latest TVs, and more. Her performance is thrilling, reaching a top speed of 45 knots and creating an impressive 30-foot rooster tail.
