## Summary/Description

For Sale

The Roscioli Donzi R73 developed and designed by Bob Roscioli, has combined form and function into an unbelievable performance machine second to none. Utilizing the newest developments in oil bath drive systems combined with the DDC MTU 2000 common rail plus a new innovative underwater exhaust system, this new R73 is unquestionably the finest sport fishing vessel on the market today. The open bridge arrangement and stateroom configuration provide the best in traveling comfort for owners, guests and crew. The exterior paint and varnish lead the industry and the interior appointments have been custom designed and finished to perfection. If you are in the market for a large sportfish yacht, we challenge you to sea trial any yacht on the market and then compare it to the Donzi 73 Sportfish Yacht. You simply must experience the quality and performance to believe it.
