Summary/Description

Designed with comfort, camaraderie and family time in mind. Draco boats have been known for their innovative designs, superb quality, handling and seaworthiness since the beginning. The new Draco range has been developed in cooperation with the world-famous DUBOIS Naval Architects Ltd.

- DRACO 27RS delivered Summer 2018
- European Powerboat of the Year 2015
- Dubois Design styling built by renown European builder DRACO of Norway

Dry riding, rugged construction and practical features make the DRACO a highly versatile boat. Seating for the entire family, elegant cocktail cruiser, capable yacht tender, beach-able shallow draft and outboard power.
